PRESIDENT-ELECT of the U.
S. Consulting Engineers Coun-
cil, Leonard K. Crawford, of
Springfield, whose firm of
Crawford, Murphy & Tilly is a
consultant for the design of the
new sewage treatment plant in
Granite City.

National Engineer
Office For Crawford

Leonard K. Crawford, a partner
in the Springfield consulting
engineer firm of Crawford, Mur-
phy & Tilly, has been elected to
serve a one-year term as presi-
dent-elect of the Consulting En-
gineers Council of the U. S. He
will take office at the annual
convention in Denver next May.
Announcement of his election
was made from Washington, D.
C. Crawford, who has visited
Granite City several times, is
with the firm currently engaged
with the local engineering firm
of Sheppard, Morgan & Schwaab
in design of a new sewage treat-
ment plant for Granite City.

Tourism Group Sets
\$3000 Budget Goal

A Tri-Cities Chamber of Com-
merce fund-raising committee
for tourist promotion has decid-
ed to shoot for \$3000 to help in-
crease the influx of tourist dol-
lars here.

William H. Thoeke, chairman,
said the committee would try to
raise \$1500 from local firms,
including about half from motels,
restaurants and service stations.
The other half would be solicited
from other businesses who
would benefit from more tour-
ism.

The \$1500 in turn would be
matched by the state commis-
sion which is launching a tour-
ism campaign throughout Illi-
nois.

The committee has decided on
a three-prong program: (1) bill-
boards advertising local points
of interest; (2) a leaflet detail-
ing things to do and places to
go here; (3) a regional brochure
advertising five Illinois counties
along the Mississippi River.
A sub-committee, headed by
Gordon J. Hoener, is currently
working out details on promo-
tional aspects of the plan.

Disturbance Arrest

Harry E. Neuling, 20, of
Rural Route One, was arrested
Monday at Nuth's
Snack Shack, 2167 Washington
avenue, on a charge of creating
a disturbance. The complaint
was signed by Harry Rhodie. He
was released on \$25 cash bail
pending a hearing.

More School Liability Insurance Is Proposed

Excess insurance policies to boost Granite City schools liability coverage to \$1 million or \$5 million was recommended to the school board Tuesday night by representatives of the Granite City Insurance Exchange.

Travis Giffin and Robert Rowland gave a summary of the proposal and agreed to return to go over it in more detail at the next regular board meeting March 10.

Present policies would remain in effect to cover the school district on injuries to pupils or visitors up to \$100,000 on an individual and \$300,000 on an accident. These policies cost a total of \$2870 yearly. School employees are covered under the workmen's compensation program.

The excess policies would boost coverage to \$1 million on an individual or accident at a \$100,000 annual premium, or \$1 million at a \$2500 yearly premium. The excess policies on individual would be \$2970 or \$6750.

Giffin said the excess coverage also would include uninsured amounts on a \$10,000 deductible basis. There would be no deduction clause in regard to known school programs, all of which would be insured.

With school boiler insurance due to expire this spring, the board decided to double its total damage and liability coverage to \$200,000 at Granite City high school and \$100,000 at each of the other schools. Bids will be sent.

Okay Coolidge Traffic Plan
The board voted to take whatever steps are necessary to comply with state recommendations for improving student traffic safety in the area of Coolidge junior high school.

Supt. Harold M. Kaiser reported that the state highway division has said it would agree to installation of traffic signal lights at Nameki road and Jill avenue if the school district moves its GCHS gymnasium parking lot entrance and Coolidge school driveway to meet Jill avenue.

Dr. Kaiser said a 12-hour survey at the intersection on a Saturday afternoon showed 5800 northbound cars, 5110 southbound vehicles, 1142 autos approaching along Jill and 476 cars leaving the school property for a grand total of 12,528.

Of the 1142 leaving Nameki road from Jill, 867 turned left, 69 crossed the roadway and 206 turned right. Of the 476 leaving the school grounds, 218 turned right, 80 went straight ahead and 128 turned left.

Second Stallings Septic Tank
The board decided to install a second stallings septic tank east of Stallings grade school. The tank and the drainage system are expected to cost about \$900. The materials, reinforcing steel is estimated at \$30, and concrete, lumber and tile will be purchased from current sources of supply established on the basis of bids.

The tank will supplement a 2800-gallon septic tank currently in operation west of the Stallings building. With the ground saturated due to overflow and with the number of students at the school increasing, pumping proved to be necessary in each of the past four months and some excess water has been dumped away from the school.

An addition at the west location was not considered due to ground water in the area and the fact that the present tank is needed on a regular basis and could not be taken out of use during the expansion work.

A letter from the Maryville PTA seeking sidewalks along Maryville road was discussed without action being taken. It was decided to keep in touch with current efforts being made to obtain financing by the county highway department.

The PTA noted that schools are permitted to construct sidewalks, and said 446 of the 624 pupils are not transported by bus. While some are brought to school in their parents' autos, others have to walk and, when there is snow or rain, must use the roadway itself.

It was pointed out that traffic is increasing and that Maryville road is the only route students can use to reach the school. The PTA said it will oppose widening and paving of the road, proposed for 1965, unless a walkway is provided.

Family Service Agency Board Adds 3 Quad-City Members

Three professional persons from the Quad-Cities were installed to the board of directors of the Family Service Agency, a United Fund agency, during a meeting of the agency's board at Grand Marais State Park restaurant Monday afternoon.

They are Terry Francis and Randall Robertson, attorneys, and Dr. Felicia Koch, physician.

Dr. Koch was appointed by the board to be its delegate to the Tri-Cities United Fund board. The Family Service Agency, which became affiliated with the

Service Association of America, which is the national standard setting and accrediting organization in the field.

During last year, 31 families from the Quad-Cities applied to Family Service Agency for marriage counseling or other social services and received a total of 203 counseling interviews. Michael Dalton is the executive director.

Recovering From Surgery

Ady Knappczyk, 2277a Delmar avenue, is recovering at Desloge Hospital, St. Louis, from lung surgery which he underwent yesterday for four hours. Knappczyk, a Nestle Co. employee, is a former St. Louis soccer player and is coach of the GBU soccer team in the YMCA league here.

The actors are, left to right, Lois Kueker, Sharon Leubbert, Nancy Accola, Edna Wehrenburg, Dixie James, Kristy Henson and Andrea Thorp.

Hope Lutheran Youths To Present 3-Act Play

The youth organization of Hope Lutheran Church will present a three-act family play "Pick-A-Dilly" at 8 p.m. Saturday and Sunday in the Nameless school auditorium.

The play is centered around a will of the late Jason Strong who made bequests to his "beloved relatives." Added to the excitement, set in an old, abandoned mortuary, is the Horrendous Hag and Azariah Coffin, both of whom take pleasure in disturbing the scared relatives.

The cast includes Jim and John Pomeroy, Norman Richter, Dan Neumann, Dennis Lockhart, Shirley Lungwitz, Gloria Schuler, Lynn Britton and Mike Krause. Tickets will be available at the door.

Sheriff Says Study Will Show Tale Of Woe At Jail

"Let's wait and see," Sheriff Barney Fraundorf said this week in reply to comments by a former sheriff that the county jail would stand another 100 years if properly maintained.

Fraundorf wasn't seeking a 100-year wait but suggested the prospect of a new county jail not be written off until after its condition is studied thoroughly by a committee to be named under authority granted last week by the county board of supervisors.

The sheriff emphasized that recent grand juries have found the century-old facilities to be antiquated and inadequate, and that he has no intention of developing it to afford county club atmosphere for the inmates.

Repairs alone, he said, would cost close to \$20,000 to replace worn out or broken fixtures and equipment; the outlay would not permit repairs to bulging walls.

Modernization of jail facilities is becoming a national pattern, and a need in the county, he added, is to provide separate quarters for youthful first offenders. They now rub shoulders and share cells with hardened criminals in the county jail, he pointed out.

Collinsville Shortens Hours For Taverns

Another Madison county municipality, Collinsville, shortened tavern hours to conform with the county's, in action taken this week by the council. Taverns there now will close at 1 a.m. daily, except Sundays, when the closing hour will be 2 a.m. The closing hours had been 3 and 4 a.m.

The city of Madison still retains longer hours with a 4 a.m. closing time daily.

New Spring Programs To Open March 10 At 'Y'

The YMCA will offer an expanded program for youth during the spring quarter beginning March 10.

Two new additions to the swimming program will be the paddler and tadpole classes to subdivide the present minnow program. They are designed to give the child a pleasant and positive experience of introduction to water.

The tadpole class will be for children with some experience with water but who do not swim, and the paddler class will be for those who have not become familiar to any degree with water.

Children in both programs may bring friends and toys, including water wings, fins, and any type of water toy with them. Those able to swim 20

Sidewalk Construction Challenged Again

Granite City may become involved in a test case on spending city funds for items not listed in the budget.

Alderman Gabrielle Bettencourt is conferring with a lawyer to determine if an injunction can be obtained to halt an expenditure to install sidewalks.

"I'm not against the sidewalks, but it's the council procedure of ignoring the law and going ahead with an expenditure of money that is not budgeted," she explained, adding that a similar filing of an injunction suit about two years ago halted a council-approved motion to spend an unbudgeted \$5000 to buy a tract of land along Wabash avenue.

Mayor Davis said yesterday he has not yet signed a contract with a local concrete firm to install sidewalks in the vicinity of four schools, but is awaiting preparation of the contract by City Atty. George Filcitt, Jr., who is taking it to give him a legal opinion.

Sidewalks were a major topic at Monday night's abbreviated agenda-less meeting of the Granite City council with a request for repairs by the Downtown Shopping Center taken under study and a contract to construct sidewalks near Logan school annex challenged by Alderman Gabrielle Bettencourt, who disagrees with a contract ruling by the city attorney.

Council members also approved a low bid for pen fencing at the city dog pound, endorsed the March of Dimes oral polio vaccine program, approved a policeman's bond, agreed to maintain a drainage line for the new nursing home and took under study a request from Eastern Illinois University students to paint house numbers on curbs this summer.

The Downtown Granite City Shopping Center, represented by Bernard S. Miller and Alvin T. Barnes Jr., requested a continu-

ing program of sidewalk repair replacement in the downtown business district.

Big Source Of Tax Income
They pointed out that 17% of the city's tax income is derived from the downtown firms and offices in addition to parking meter revenue, and that the annual and continuing maintenance program for sidewalks, curbs and gutters is sorely needed in the central business district.

Interest in the business district by the merchants was stressed in the \$4,000,000 investment in new stores and remodeling projects and the establishment of a \$20,000 free off-street parking lot in the past six years, Barnes said.

He added that the Third Ward aldermen, Clyde Boyd and J. D. Bergfield, agreed the work was needed, but could not allocate sufficient ward funds to do the work each year.

The request is to be studied by the Street Committee for inclusion in the city's new budget.

Questions Legality
Expenditure of unbudgeted funds to build sidewalks was challenged again by Alderman Bettencourt, who recently threatened to file suit against the city to halt the practice.

However, Mayor Davis said he had been advised the contract was in proper form and he would comply with the approval given at the Dec. 2 council session by signing the contract for sidewalks to be installed along West 25th street and along Missouri avenue at the Logan school annex, provided a suitable legal opinion is given.

The low bidder was Ellsworth Concrete Co., Granite City, with a figure of 51 cents a square foot.

Mrs. Bettencourt said she had conferred with the legal department of the Illinois Municipal League and city of St. Louis and was informed a city should not go into items not listed in the budget nor go over budget-set figures. "The city could be penalized for doing this," she added.

Several aldermen indicated they would be attending a SWIU-sponsored conference on "Local Legislators and Intergovernmental Relations" at the Sunset Hill Holiday Inn on Saturday.

Mrs. Bettencourt, chairman of the Legislative Committee, urged workshop sessions to be attended by the aldermen. Among those planning to attend are Sternberg, Moerlein, Thompson, Bartoski, McGee and Mrs. Bettencourt.

THREE JOIN MARYVILLE SCHOOL GIRL SCOUTS

A weekly meeting of Girl Scout Troop 158, sponsored by the Maryville PTA, was held Monday afternoon in the school cafeteria. The meeting was opened with the pledge of allegiance and the Girl Scout promise by Roberta Jackson, leader of Patrol Two.

The girls continued to work on "bunny boxes," which will be completed before the oncoming Easter season. The girls decided to hold a roller skating party on Thursday afternoon.

Three new members admitted into the troop were Karen Rotter, Kathy Whitehead and Martha Miffin. Others at the meeting were Debra Butler, Debra Bell, Pamela Gagic, Hebra Green, Roberta Jackson, Patty Lathrop, Karen Murphy, Debra Murphy, Mary Poole, Patty Tester, Kim White, Susie Schaefer, Peggy Ham, Vickie Harris and the leader and co-leader, Mrs. Betty Bell and Mrs. Norma Murphy.

A request from Madison County March of Dimes Chairman Mrs. Nina Bigley for the council to endorse the March 8, May 3 oral polio vaccine program in the Quad-Cities was approved, and the council also approved a \$1000 bond for police patrolman Robert Astorian.

To Maintain Drainage Line
A request was set forth by the state for an 18-inch drainage line to serve property of the new Colman Nursing Home along Pontoon road to be maintained by the city, was presented to the council by Alderman Partney, who said the lack of approval of the city was delaying work on the new nursing home. He pointed out that a portion of the line would be outside the city limits. Council members agreed to undertake the maintenance.

A legal opinion on city liability and approval of the Painters Union will be needed before the city will permit a group of seven Eastern Illinois University students to endore the city in the summer to paint house numbers on curbs.

A student appeared before the council Monday night and said the numbers are painted and then the students go from house to house seeking donations for the work. They have done the work in other cities in the state and use the funds to further their education, he explained.

Several aldermen indicated they would be attending a SWIU-sponsored conference on "Local Legislators and Intergovernmental Relations" at the Sunset Hill Holiday Inn on Saturday.

Mrs. Bettencourt, chairman of the Legislative Committee, urged workshop sessions to be attended by the aldermen. Among those planning to attend are Sternberg, Moerlein, Thompson, Bartoski, McGee and Mrs. Bettencourt.

Kahoks (Who Else?) Regional Favorites

Basketball experts, real and self-appointed, look for few surprises in the regional high school tournament which opens Monday at Wood River high school.

Even loyal fans of the other seven entrants in the tourney hold little hope of their favorites upsetting the much-heralded and unbeaten Collinsville Kahoks. Most of the same teams have tried and failed this season.

The Kahoks, 22-0 with a game remaining to tomorrow night with mediocre Quincy, have beaten five of the other seven teams assigned to the tourney. They are four Southwestern Conference rivals—Granite City, Alton, Wood River and Edwardsville—plus Madison.

The other two entries have not played the Kahoks this season. But they are weak-sister Roxana (2-20) and the yet-to-be determined champion of the Venice district for smaller schools.

The Kahoks will open the tourney at 7 p.m. Monday against Roxana. The second game, at 8:30 p.m., will match Madison (13-3) and the Venice champion.

On Tuesday, Granite City (13-10) plays Wood River (7-10) at 7 p.m. and Alton (11-9) meets Edwardsville (5-13) at 8:30 p.m.

The Monday night winners play Wednesday and the Tuesday night victors clash Thursday, both games at 8 p.m. The championship game will be Friday night.

Coach Vergil Fletcher's Kahoks whipped the four Southwestern teams twice each this season and dumped Madison in the semifinals of the East St. Louis holiday meet. Alton came the

closest—losing by 13 points (86-73) and 14 (80-66).

The Kahoks show no signs of yielding to the pressure of an unbeaten season. And, indeed, the tournament trail should cause no olives in the Kahoks' throats. It's old stuff at Collinsville, where Fletcher has taken squads to the state tourney six times, including 1961, when the Kahoks took the crown.

Featured performer for the Kahoks, of course, is 6-5 Roger Bohnenstiel, who was an all-star as a junior last season. He averages 20 points and 10 rebounds a game and it's a rare instance when he amiles more than 10 or 15 feet from the basket.

Giving the team a tall one-two punch is 6-6 Mike Cook, averaging 11 points a game. Cook and 6-2 Rich Moore add Bohnenstiel by pulling off about six rebounds per game. Others in Collinsville's top six are 6-2 Dave Russell, 5-10 Jerry Seohike and 6-1 Jack Darlington.

Two local squads figure to pose major threats to the Kahoks: Madison's Trojans, headed by scoring-rebounding superman Cecil Bell, are likely to join the favorites for the semifinal tussle.

The Trojans gave the Kahoks what-for in the first half of their only game, leading by as much as seven points in the first quarter. The final outcome, however, was 81-59.

One possible championship pairing could be the Granite City Warriors against the Kahoks. Coach Andy Sullivan acknowledges his team looked its worst this season in two losses (83-54 and 89-30) to Collinsville, but thinks the Warriors could do better in a third contest.

But they must get past Wood River's Oilers

and then—if predictions come true—Alton's red-beries. Alton whipped the Warriors 82-68 just last week.

The Warriors' hopes would depend heavily on Larry Lilley, who carries a 20.4 scoring average in all games. He made 30 against Alton to finish second in the Southwestern Conference race won by Bohnenstiel's record-breaking 28.9 average.

Lilley finished with 251 points for a 21.33 average to George Terry's 213 points for a 21.30 mark. Lilley played in all 12 conference games but Alton star Terry missed two with a back injury.

The slender Granite City standout has been the only 100% starter for the Warriors this season. Sullivan has frequently changed his lineup since his team's success began to taper off at Christmas time.

The Warriors started by winning five of their first six games, but since have won only eight of 17.

The team's second highest scorer is Jim Warren with a 8.8 average. Others who have been in starting roles are Joe Hiles (7.0), Elton Hall (6.9), Jim Cant (6.5), Vince Debeve (6.0), Mike Rousseau (4.8) and Jerry Lybarger (0.8).

Like Madison, which lost Paul Lusk to a knee injury, Granite City has been handicapped by loss of a key player. Jim Proffitt, starting guard and key stabilizing influence in the lineup, has been out since Jan. 17. He also has a knee injury.

Belleville is the favored team at the East St. Louis regional, which opens Tuesday. The Cardinals are Belleville Cathedral, Cahokia, East St. Louis Assumption, East St. Louis Lincoln, Massillon, the host school and the O'Fallon district winner.

Queen Candidates

THESE FIVE GIRLS are candidates for queen of the High School League's basketball dance from 8:15 to 11:15 p.m. Saturday at the Community Center. Seated in a convertible, left to right, are Clara Telkemeier, Marcela Weizer, Ginger Horn, Mary and Judy Spurlin. They will be escorted by the five league all-star players. The dance is primarily for players and their dates, but other high school students may attend.

Northwestern Gives Warriors' Bob Pyle 4-Year Scholarship

Bob Pyle, offensive and defensive halfback at Granite City high school, has accepted a full four-year athletic scholarship to Northwestern University at Evanston, the Press-Record learned today.

Pyle, who was selected for scholarship as well as athletic prowess, was co-captain on last season's football squad. The scholarship includes room, board and tuition and is valued at \$12,000.

He carried the ball 32 times for 146 yards for 4.5 a carry and scored three touchdowns. His other school activities include the National Honor Society and track.

The 5-10, 195-pounder is considering studying science or

Other Granite City football players are also considering scholarship offers, according to Coach Jim Morrison. At Madison high school, Coach Glenn Pickering said some of his players have also been contacted by colleges.

GC Sops Defeated, End Season Tonight

Mascots' sophomores upset Granite City 80-78 Monday night on the winning team's court. It was only the third loss in 16 games for the young Warriors.

The locals led 39-36 at half-time but fell behind after three periods, 63-56. "The boys were atole," said Coach Dick Harmon. "And when you score 78 points in a sophomore game and still lose, you know something's wrong with the defense."

Larry Ripka hit 24 and Elmer Wortham scored 17 for Granite City. For the young Indians, Bob DeBord scored 29 and Herman Nesby hit 28.

The young Warriors end their season at 6:30 p.m. today against Cahokia at the GCIS gymnasium.

Inter-City League Sets Meeting At Wood River

The Southwestern Illinois Inter-City Baseball League will meet at 1 p.m. at the Moose Lodge, 1150 Wood River, at the intersection of Routes 159 and 111 in Wood River. It was announced today by Henry Huser, league secretary.

Vernon Lucas, league president, said formation efforts for a third Granite City team have failed and any team interested in replacing Carpenter as the loop's eighth team should report to the meeting.

GC Schools May Add Golf, Soccer, Okay 'Y' Soccer, Park Recreation

Possibility of adding golf and soccer to the list of Granite City school district athletic programs is to be studied by the school administrative staff, at the suggestion of the school board.

Board members reported Tuesday night that there is growing enthusiasm here for school soccer teams, and that there have been requests for creation of a high school golf squad to compete with golf teams now in existence at other high schools in this vicinity.

Soccer is a comparatively new sport for Illinois schools but is popular at many St. Louis schools, the discussion brought out.

Y.M.C.A. Soccer This Spring

The board authorized the Y.M.C.A. to operate youth soccer leagues again this year on the Coolidge junior high school grounds. Games and practice are to be held there during an eight-week spring season beginning this Saturday. Three-week play-offs are to follow.

Y.M.C.A. General Secretary C. A. "Bud" MacMillan commented in a letter to Supt. Harold M. Kaiser that the soccer program is "colorful, unique and highly beneficial to the more than 190 youth involved, giving unequalled benefits in terms of the physical fitness of participating youth."

"The spirit of youth involved in soccer in that particular location gives the visitor to our city a highly positive impression of the community."

Mitchell Ball Games

Permission was given to the Mitchell-Chouteau Township Kiwanis club to conduct a summer

recreation program on the Mitchell school ball diamond field from June 10 to Sept. 1. Similar programs have been held in past years.

The board also authorized the Granite City park district to conduct its summer recreation program on school property again in 1964.

Harold E. Brown, superintendent of parks and recreation, said the district "would like to use baseball diamonds at the school, Coolidge, Prather, Frohardt and Marshall."

"With such a large increase in our tennis program, we are unable to accommodate everyone, so we would like to use the courts at the high school. We realize they have just been resurfaced and are in good condition, but we are very strict with keeping our own courts in good shape and would be just as careful with yours."

"We have been using several schools each summer for our recreation program which is Monday through Friday for eight weeks. During this same time, we have a very hot program that meets here at the park, but on rainy days we need a room for these little ones. Last year, we used a room at Niedringhaus which worked out fine."

"We would again like permission to use this room as well as the gym at Niedringhaus for a boys' physical program. We certainly appreciate your cooperation in the past concerning use of the schools, because without these facilities we would be unable to offer to such a varied program to children in every section of town."

Venice, Lincoln Collide Tonight

Venice's Red Devils and Lincoln's Rams clash tonight in the featured game of the district prep basketball tournament at Venice public school.

Game time for the intra-city encounter is 6:45 p.m. In the second semifinal contest, the favored Marquette Explorers of Alton meet the Lovejoy Wildcats of Brooklyn at 8:20 p.m.

The five-team tourney opened with a single game last night as Lovejoy ripped Western Military Academy's Red Raiders of Alton 86-65.

A field goal by Stan Grey gave the Wildcats a 65-64 edge in the closing moments and Cornell Bailey wrapped up the win with three free shots. Bailey scored 14 points while Dick Stratman scored 24 for WMA.

Tonight's Venice-Lincoln contest is expected to feature the Rams' fast-running game against the Devils' more deliberate style. Coach Lynne's Lincoln crew, however, has employed stall tactics in earlier games.

The Devils, Madison-Clinton Macquon Conference champs, rank as favorites to advance to tomorrow night's championship game with Marquette. The Alton school has a 22-2 record, best in its history.

The championship game starts at 8 p.m. tomorrow with the winner going to the Wood River regional. A small crowd attended last night's game, but Venice Coach Bill Oltendorf expects a capacity crowd tonight.

Trojans Tackle Tough Maroons

Whenever an athletic contest somehow involves the number 13, sports writers are quick to peek out a story on the old superstition bit. Generally it's just a gimmick to enliven the copy.

But for the Madison Trojans, consecutive basketball victory number 13 is causing great concern, and not because of the black cat business. This game would cause apprehension if it were victory number two, 11 or 52483 (true, an unlikely figure since such a streak would take some 1748 years).

The prospective 13th victim is Belleville Township, whose Maroons are considered second only to undefeated Collinsville in Southwestern Illinois.

And Belleville, with a 19-3 record, is ranked among the top 10 teams in statewide polls. Madison, 19-3 but playing what is considered 18-3, is an awesome competition, has recently passing mention in the polls.

The varsity contest starts at 8:15 p.m. tomorrow in the Belleville gymnasium, where the Maroons have lost only twice this season—to Collinsville and St. Charles No. 1 team, and Centuria, considered fourth best.

The Trojans will counter this home court advantage with two things the Maroons haven't experienced very often in the campaign. First, there's the savage pressing defense, and second, a go-go offense that often peppers the basket with 70 or 80 shots a game.

Coach Earl McClanahan's squad used this combination to stun the mighty Collinsville Kahoks for the first half in the East St. Louis holiday tournament. The second half was quite different and that was the last game the Trojans lost.

Since tall sophomore Paul Lusk has been sidelined with a knee injury, scoring star Cecil Bell has taken over as chief rebounder for the Trojans. But Bell, who stands 6-2, will have plenty of competition on the boards from the Maroons' 6-9 Dallas Gorman.

Both players are averaging about 11 rebounds a game. While Bell leads his teammates (excluding Lusk) by far in rebounding, Gorman has been getting strong support from 6-4 Jay Wescott and 6-2 Joe Wiley, both averaging about seven a game.

Germany and Westcott both average 16 points per game while Bell has a 22.8 mark. Supporting big Cecil are ball-handling wizard Dale Turner (13.0), John Summers (11.6), Gary Skinner (8.5) and Hay Wright (7.8).

Twilight Optimist tackles 'St. In a 2:30 p.m. game, game Tuesday, Bricklayers Local 65 meets CGU Insurance.

Mendoza said the schedule will end in Mid-April to give boys a chance to prepare for the baseball season.

The program opens Saturday with Gitchoff Agency meeting Granite City Steel Elmhurst's in an Alton Division game at noon at St. Elizabeth's school. Other teams in the division are Leaders Agency and a fourth team, yet to be named.

Credit Union, Gitchoff Agency meets Granite City Steel Elmhurst's in an Alton Division game at noon at St. Elizabeth's school. Other teams in the division are Leaders Agency and a fourth team, yet to be named.

In Monday night's semifinals, Madison Bowl defeated Schiltz 66-49. Terry Andrews' 15 and Bob Finkle's 14 points paved the way. For Schiltz, Don Williams Bantam game are Uncle Char, scored 15 and John Michaels 10.

Liberty Home defeated St. Fairmont City. Mary's 59-51 with Glen Sprankle hitting 19 and Mike Tritan and Harold Tankesley 11 each. Dan Trotts scored 27 and Charles Porczyk Realty at 1:30 p.m. and Kopek 11 for St. Mary's.

CHURCH LEAGUE WINNERS. Second Baptist took both the regular season and play-off titles of the Granite City park district-sponsored league. Left to right are, front row: Bob Rains, Jim Corbett and Norman Grote; back row—Jim Rippey, Jim Grote, Tom Finn and Charles Chapman. Not present was Charles Canady. The team downed St. Joseph's 62-51 in the playoff first Monday night, with Chapman scoring 26 and Norm Grote 16. Jake Varadani had 11 and Tony Costello 10 for St. Joseph's.

CITY EIGHTH GRADE CHAMPS. The Central junior high school Indians clinched their 12-4 season by winning the title of the first intra-Granite City tournament. Members of the team, left to right, are: front row—Manager Mike Higgins, Dave Carroll, Mike Jacobs and Manager Dave Rosenberg; middle row—Norm Popmarck, Bill Yarbrough, Dan Jenkins, Jeff Jones and Mike Doherty; back row—Carl McDowell, Norm Hall, Dave Howard, Mike Clemens, Mike Kalips and Coach Ship Hastings. The team also finished second in the Marissa invitational tourney and averaged 50 points to the opponents' 35 over the season. Top individual scorers were Jones with a 17.3 average and Doherty, 10.1.

Three Games To End High School Season

Playoffs in High School League basketball conclude tonight at Coolidge junior high school with two semifinal games and the championship contest.

Lincoln Place plays Olga's Confectionery at 6:30 and Highland Asphalt meets YMCA Teen Town at 7:30. The winners play for the title at 8:30.

In games last night, YMCA downed Twilight Optimist 42-30 as Jerry Nelson hit 15 and Charlie Stephens 14. Rich Martinez had 16 and Bob Martinez eight for the losers. Holland Asphalt trimmed Parkway Village 60-52 with Jim McDonnell scoring 17, John Hoffman 13 and Frank Bausch 10. Jerry Broadway's 17.

In the YMCA-Optimist game, a basketball oddity saw both teams score identical totals in the first three quarters—49 points in the first period, 12 in the second and seven in the third. Then the 'Y' hit 19 points in the final quarter to win.

Granite City Wrestlers Battle In State Tourney This Weekend

Granite City once again is expected to uphold the honor of Southern Illinois high school wrestling in the annual state tournament tomorrow and Saturday at McGraw Hall, Northwestern University in Evanston.

With five boys qualifying, the Warriors have the largest group among all teams in the south end of Illinois. Waukegan, Joliet and Pekin all qualified seven wrestlers and Sterling, Chicago Parker and Chicago Tilden Tech each qualified six.

Coach Bill "Red" Schmitt, however, expressed concern yesterday that one Warrior would not be able to compete. Jim Valcott, runner-up at 138 pounds in the sectional here last weekend, has been out of school this week due to illness.

In addition, Paul Lapinski, champion at 103 pounds, has not been feeling up to snuff. "So we're not in real good shape," Schmitt said.

Smallest Since 1960

The five-man group of Granite City qualifiers is the smallest number since 1960, when five also qualified.

Of the 211 high schools which entered the state's district and sectional tournaments, 87 had boys who earned a trip to the finals. A total of 192 wrestlers—16 in each weight division—qualified to participate.

Two of last year's champions return—but both are now in the 120-pound division. They are Mike Chalk of Palatine, the 1963 champ at 103 pounds, and Ted Parker of Deerfield, last year's 112-pound winner.

The first round will be held at 1 p.m. tomorrow, and the second round at 7 p.m. On Saturday, the semifinals start at 1 p.m. and the consolation and final bouts at 7 p.m. A boy must win four bouts to be state champ.

Lapinski's Record Tops

Of the five local entrants, Lapinski has the more outstanding record. During the season, he won 24 bouts, lost one, tied one and drew one. His record is 24-1-1-1.

Steve Cavanaugh, sectional champ at 112, is 16-4-0; Mike Reynolds, runner-up at 95, has an 18-10-0 mark, and John Evenden, second in the heavy-weight division, is 20-6-0. Evenden leads the team with 13 pins.

Since 1956, when the state initiated a new scoring system, Granite City has ranked fifth overall in the state tourney. Waukegan, last year's champion, ranks first, followed by Proviso East of Maywood, Reavis of Oak Lawn and Thornton of Harvey—all from the Chicago area.

Besides Granite City, only three other schools outside the Chicago area rank in the state's top 20. They are Park in (seventh), Rock Island (11th) and Sterling (20th).

Miss Dowthitt On Dean's List

The name of Miss Donna Dowthitt, a daughter of Mrs. Frances Cedek, 1710 Fourth street, Madison, appears on the dean's honor list for the fall semester at Belmont College, Nashville, Tenn., where she is a freshman student, majoring in music.

Miss Dowthitt has also been selected to sing with the Bell Tones on a tour of the southern states. She is a member of Chi Alpha Nu sorority.

Spring Sports Schedule Includes 34 Contests In Varsity Baseball

A spring sports schedule including 34 varsity baseball games has been announced for Granite City high school by Dick Yates, athletic director.

The slate also includes 18 sophomore baseball games, a 13-date track schedule and a tennis card of 18 dates.

Joe Fedora, who directed the Warriors to second place in the state last season, will again coach the baseball squad. His assistants will be Gale Garbe and Conrad "Ike" Champion.

Jim Morrison, who took over last season as head football coach, will have his first fling as head track coach. Assisting will be Andy Sullivan and Leon Chappel.

Dick Harmon will again handle the tennis squad.

The varsity baseball schedule includes three Saturday dates with different schools. Fedora will split his squad on these occasions. The heavy schedule includes nine doubleheaders.

The trackmen's season will start with an indoor invitational March 13 and 21 at the St. Louis Armory. Details on that affair have not yet been released. Also included are four relays—at Alton, Mattoon, East St. Louis and the Southwestern Conference affair at Alton.

Tentatively planned as season climax for the tennis squad is a quadrangular at Danville in conjunction with the state finals at Champaign. Other teams would be Danville, Schlarman of Danville and Rantoul. The meet as yet is unconfirmed.

Poliner, 2400 Dewey avenue, returned late Sunday from Graham, Ky., where the former's parents live. The elder Poliner's home burned last week and was a complete loss, nothing being saved except the clothes they were wearing.

They will be staying with their son and daughter-in-law until they are able to find another home. The burned home was partially insured, but not enough to cover the loss.

COMPLETE BOOKLETS

World Friends Sunbeams of Second Baptist Church met Tuesday afternoon for the fourth session on the book, "Blue Flower." As the children arrived, they made banks for the Annie Armstrong offering for home missions. During activity time, Misses Jean Anderson and Evelyn Barnes led the group in finishing "Blue Flower" and "Indian" booklets.

The group formed a circle and sang the World Friends song. Miss Anderson led prayer and Mrs. Barnes told a story from the study book. Refreshments consisted of samples of food first introduced by American Indians. Present were Gary Lewis, Johnny Snider, Allen Newberry, Timmy Staffens, Donald Mayes,

Christine Smith, Margaret Yates, Denise Whitson, Bradley Crown, Randy Mitchell and a visitor, Roger Buckingham.

SUNBEAM BAND MEETS

Evelyn Owen Sunbeams of Second Baptist Church met Tuesday with Mrs. Beverly Crown, leader. They made Indian corn and placed blue rocks in their rock bags. Mrs. Crown offered prayer and told the story for the day, and Gwen Olive gave closing prayer.

Plans were made for a meeting and party with their parents next Tuesday. Others present were Gail Lewis, Julie Whitson, Dennis Reynolds, Rocky and Rusty Flanagan, Reuben Wyatt, Brenda Holloway and visitors, Cathy and Bruce Crown.

SUNBEAMS WILL ENTERTAIN PARENTS

Virginia Wingo Sunbeams met Tuesday afternoon at Second Baptist Church for the fourth session on the book, "Blue Flower." Mrs. Betty Lewis, leader, led the group in the making of Indian corn, and each child was presented with a blue rock to go into their rock bags.

Plans were made to invite parents and special guests to the next meeting, Mar. 3. A program will be given by the children, and a display of handwork will be shown. A play will

be given by several of the boys and girls.

Songs were sung and Mrs. Lewis told the story for the day and offered closing prayer. Those present were Vickie Welby, Debbie Freeman, Marie Snider, Nancy Sanders, Ann Snyder, Pamela Wyatt, Theresa Gillham, Kevin Crown, Debbie Davis, Brenda Smith, Rhonda Tadlock, Marilyn Mays, Delta and Sonia McIntyre and visitors, Kathy Farley, Diane Olive and Pat Davis.

After the meeting, the children delivered a large decorated box of canned goods to a needy family as their "helping others" project for the month.

SUNBEAM BAND MEETS

The Vivian Wilson-Frances Diaz Sunbeam band met Sunday at Second Baptist Church. Mrs. Charlene Sanders was in charge and told the story "The Pastor's Twins." Barbara Kukulka and Vickie Welby led in prayer.

The Sunbeams sang several songs, and Mrs. Jean Wyatt served refreshments. The group pasted Washington cutouts on construction paper and colored vases of flowers.

Present were Ruth Ann Wilson, Jerry Stubblefield, Gary Dacus, Barbara Kukulka, Paula Kukulka, Michael Turck, Douglas Smith, Janet Smith, Laurel Austin, Pamela Elmore,

Pamela Leslie and Susan Welby. Visitors were Nancy Sanders, Eve Wyatt, Vickie Welby, Denny Turck, Pamela Wyatt, Reuben Sanders, Debra Kukulka, Robin Smith and Cynthia Wyatt. The workers were Charlene Sanders, Jean Wyatt and Lenore Welby.

HONORED AT SHOWER

Mrs. Danny Lehman was honored at a grade shower at Dewey Avenue Methodist Church Tuesday evening. The tables were decorated with pink and blue umbrellas and pictures of babies, and there were appropriate table napkins.

Prizes were awarded to Mesdames Violet Miller, Mildred Bell, Virgie Clark, Joyce Fricke, Lois King, Louise Potillo and Dorris Burris and Misses Madelyn Sigle and Mickey Azari.

The hostesses, Mesdames Joan Tepler, Mable Greer, Mary Bunn and Pat Bernais, served refreshments to Mesdames Pat Golden, Maxine Sparks, Frieda and Mrs. Ervin Weeks and son, Walter, and Jimmy's brother and sister, Donald and Loreta.

Cub Scouts of Den Four of Pack Four met Monday afternoon with Mrs. Mabel Carter, 2609 N. Main, as hostess. They finished paper weights and painted and mailed the slides, representing their individual ranks. Refreshments were served to David and Herbert Davis Jr., Gary and Jimmy Garner, Scott Harrison, Billy Hunt and Ronnie Nunery.

Know the Code

(This is a series of items taken from Illinois Traffic Code to remind Quad-City motorists of laws relating to motor vehicles.)

PEDESTRIANS IN CROSSWALKS

Where traffic control signals are not in operation or where there are no signals, the driver of a vehicle is required to yield the right-of-way to a pedestrian crossing the roadway or street within any marked crosswalk or within any unmarked crosswalk at an intersection.

Pedestrians are to obey traffic signals, and if they are crossing a roadway at any point other than a marked crosswalk, the pedestrians are to yield the right-of-way to the vehicles.

Hole Shot In Door

'Y' Physical Fitness Classes Being Arranged

The YMCA will offer new physical fitness classes for men and women starting Monday and on March 9.

Sessions will be from 7 to 8 p.m. on Mondays and Wednesdays for women and from 8 to 9 p.m. for men on the same days. Registrations are being accepted now with the cost being a regular "Y" membership of 30 cents a day.

Being offered is a new system in the physical fitness field of deep stretch and deep contraction exercises. The course incorporates parts of yoga postures and isometric contraction exercises.

Contract Award For SWIU Outside Utilities System

A contract for \$1,764,000 on the outside utilities system for the first phase of construction at Southwestern Illinois University's Quad-City-Edwardsville campus was awarded Tuesday by the board of trustees to Fowler Plumbing and Heating Co., Centralia.

The work includes the distribution systems for electrical facilities, educational television, telephone, chilled water, high temperature hot water, domestic water, and sanitary sewers. Bids on the job had been opened Jan. 10 and studied and analyzed in detail by the office of the associate university architect before being presented to the board.

Car Stops For Light, Hit

As a northbound car operated by Harold B. Rose, 38, of 4909 Redwood drive, was stopped for a red light on Madison avenue at Niedringhaus avenue, it was struck in the rear by an auto driven by Betty L. McGinness, 35, of Mitchell, who was unable to stop because of icy pavement. Both cars were damaged.

Debate On Dissolving

300 To Attend Methodist Youth Rally Here Sunday

About 300 Methodist youth people are expected to participate in a Youth Rally to be held at Niedringhaus Memorial Methodist Church Sunday. They will come from the 50 churches of the East St. Louis District of The Methodist Church.

Beginning at 2:30 p.m., the program provides for a variety of activities. Featured in the afternoon session will be a debate with leading high school debaters taking part. The subject will be "Resolved, That the Methodist Youth Fellowship should be discontinued." Discussion groups will follow the debate at which time the smallest group will deal more specifically with matters presented to the entire rally.

Other activities will include a business session for the district, a one-act play presented by one of the churches, and an evening meal served by the Woman's Society of Christian Service in Wesley Hall.

The evening worship service at 7:30 will be open to the public. Guest speaker will be Rev. Max L. Martin, minister of St. Timothy's Methodist Church, Litchfield.

Castle Bound Over To County Grand Jury

Billie Castle, 21, of 2412 Missouri avenue, was bound over to the Madison county grand jury on a charge of burglary and theft at a preliminary hearing conducted Wednesday by Magistrate Gasparovic. He was held on \$5000 property bond.

He and Jimmy D. Poe, 22, of 2412 Missouri avenue, were arrested last Thursday in connection with the Feb. 8 burglary at the Johnson music store, 1920 Edison avenue, where a safe containing cash and checks was stolen. Poe waived preliminary hearing last Friday and \$5000 property bond was set. Castle was held at the Madison police station overnight Tuesday for questioning by authorities there.

Ray, Free Obtain Change Of Venue

Jimmy Ray, 26, of 2041 Denver street, and George O. Free, 25, of 2020 Iowa street, received a change of venue Wednesday from the court of Magistrate Gasparovic to the court of Magistrate John Bridick in Madison.

The two have pleaded not guilty to charges of unlawful use of weapons and the next hearing was set for March 7 in Madison. They were arrested Feb. 13 by Granite City police who stopped their car and found a loaded pistol under the front seat.

Wrong Building Listed

A building permit listed to George Mueller last week was not to remodel the Darnier building at 1415 Niedringhaus avenue but to remodel the S & S Tile building at 1412 Niedringhaus avenue, a project which already has been completed at a cost of \$2200. The building permit listed an incorrect address.

Ice Causes Accident

Icy pavement caused cars driven by Dorothy Huff, 51, of 3320 Lydia lane, and Thomas Burcham, 27, of 2800 Denver street, to collide at 8:10 a.m. Wednesday at 18th street and Cleveland blvd. The right side of the Huff auto and the front of Burcham's car were damaged.

\$20 Fire Damage To Car

A fire caused \$20 damage to the interior of a car owned by Ed Shafer at Edna avenue and Edwardsville road at 11:05 p.m. Tuesday. The fire department said the cause was unknown.

Postmaster Shows Slides To Rotarians

Harry Johnson, Madison postmaster, showed color slides of his trip last year to the Middle East at a meeting Tuesday afternoon of the Granite City Rotary Club in the YMCA.

The slides showed scenes of Cyprus, Egypt, the Suez Canal, Greece, Turkey, the Holy Land and other points of interest. Christ Pantodof, program chairman, Malcolm Thompson is in charge of next week's program.

License Used For Loans

Recent theft of his driving license from a locker at the Dow Metal Products Co. was reported to Madison police Monday evening by Clifton Bailey, 906a Madison avenue, who said he had just received notice of two loans obtained in his name from just two Garroto firms. He said he had not obtained the loans, and made plans to confer with the company this week, adding that someone apparently has been using the license to impersonate him.

DO YOU TAKE VITAMINS AND STILL FEEL TIRED?

Rock Breaks Window

A rock was thrown through the four-by-four-foot picture window at the home of Frank Madovic, 1735 Rhodes street, Madison, at 9:20 p.m. Monday, raining the \$100 pane. A group of four boys was seen running from the area at the time.

54 Judges For School Voting; Amount Of Bonds Undecided

A decision to have 54 polling place judges for the April 11 school election was reached by the Granite City school board Tuesday night. Two board members are to be elected then, and a construction bond issue and tax rate referendum also may be held on the same day.

No decision was reached on the amount of the bonds or rate boost to be submitted to voters. The board adjourned until 7 p.m. Friday, March 6, when it hopes to make final plans for the referendum.

Plan A discussed Tuesday night called for a 25-cent educational fund tax rate increase and a \$1,000,000 building program consisting of \$300,000 to build and furnish a cafeteria and classroom addition to Granite City high school, \$470,000 for new 13-classroom elementary school in the Frohardt grade school zone, \$60,000 for a four-room addition to Niedringhaus grade school and \$60,000 for two school sites, located in the Frohardt zone and the Mitchell-Nameoki area.

40 Cents Is Maximum
Plan B adds \$1,300,000 for a combination junior high and elementary school on an already-owned site on Pontoon road east of the railroad crossing. It totals \$2,380,000 and would require authorization of 40 cents on top of the current \$1.75 educational rate. A 40-cent increase is the most that can be voted at one time.

Plan C totals \$2,860,000, consisting of Plan B and \$470,000 for a new elementary school in the Mitchell-Nameoki area, with a 40-cent educational tax rate increase.

Supt. Harold M. Kaiser estimated that the projects would result in additional costs in the educational fund for staff and supplies of \$131,650 for a new Frohardt area school, \$50,300 for the OCHS addition, \$31,400 for the Niedringhaus addition, \$292,500 for a combination school on Pontoon road and \$131,650 for a new Mitchell-Nameoki school.

Fourth Possibility
In addition to the three plans submitted by Dr. Kaiser in response to a board request for several alternatives, board members discussed the possibility of proceeding with Plan B without the Frohardt area school in a bond issue totaling \$1,920,000. As the fifth hour of the meeting drew to a close, the board decided to give the subject further thought and consider definite plans at the March 6 session.

In its decision to have the same number of poll judges as a year ago, the board designated four each for Washington, Emerson, Webster, Niedringhaus, Frohardt and Nameoki schools. There will be three judges at each of the other ten polling places. Reason for the difference is the potential number of votes.

An instruction school for the judges is planned again this year. The judges have not yet been selected.

The board also approved past precinct boundaries and designated polling places at the 14 grade schools, the Long Lake (Irene's) hall and a still under-tenured Madison location.

Spring, Summer Recreation
Permission was granted to the Granite City school board to use school baseball diamonds, tennis courts, playgrounds and Niedringhaus school rooms this summer; to the YMCA to use the Coolidge junior high school grounds for its soccer program this spring and to the Mitchell-Chouteau Township Kiwanis club to use the Mitchell school ball diamond for its summer recreation program.

Reporting letters, telephone calls and personal conferences board members asked Dr. Kaiser and his staff to study the possible addition of school golf and soccer programs.

A resignation effective June 5 was accepted from David L. Kirchner, Collinsville, sixth grade teacher at the Nameoki school, who plans full-time study at St. Louis University in the 1964-65 year.

9 New Members Added
To C. Of C. Roster
Nine new members for the Tri-Cities Chamber of Commerce have been signed by a special membership team captained by Paul D. Stout.

In making the announcement today, Stout praised Christ Pashoff, Washington, Theatre manager, who secured four of the new members.

Added to the C. of C. roster were Richard Allen, attorney; Elvis LeGrand, Al's TV & Radio Sales; Jerry D. Hestington of Comfort Heating & Air Conditioning; Granite City township assessor Harold Von Dee Cruise; Oliver B. Jacobsmeier of Jacobsmeier's tavern; Chris D. Kacaleff of Chris Kaye Plastics Mfg. Niedringhaus PTA Hears Panel Talk

A monthly meeting of the Niedringhaus school PTA was held Monday evening at the school with Mrs. Edwin Seibold, president, in charge. Aid by the PTA was the topic of a panel discussion.

Cub Scout Pack 12, Den 2, directed by Mrs. Frankie Hickey, den mother, presented the colors and led the audience in the flag pledge. The PTA prayer was offered by Miss Freda Dehseimer, third grade teacher.

Mrs. Joe Kennerly, program chairman, introduced Mrs. John Gordon, who, in recognition of founder's day, read the poem "Founders Day Wish." A panel discussion followed with Gerald Bushue, principal, and Pete Robinson, physical education teacher, taking part. They spoke of the way PTA has assisted the school and the part physical education plays in developing healthy, normal individuals.

Fifth and Sixth grade students gave group and individual demonstrations on the new gym equipment, and Miss Marguerite Barker, fourth grade teacher, spoke on "Art Used to Meet the Goals in Education." The talk was illustrated with slides and three special forms of motivation, aesthetic, experimental and perceptual, to prevent a creative lag in the fourth, fifth and sixth grades now prevalent in children of that age. Mrs. Kenneth McGee reminded the parents that it is because of their support the PTA has been so successful and will continue to be.

Mrs. Seibold introduced Mrs. Marilyn Woodvatt, the fifth grade teacher, and Mrs. Kenneth Knox reported Savings Stamp sales of \$2135 to date. Frank Dragovich, Boy Scout representative, announced a paper drive by Troops 12 and

MR. AND MRS. PAUL MCCORD, who were married recently at the Madison Methodist Church. A daughter of Mr. and Mrs. Oel Blumenstock, 1687 Market street, Madison, the bride is the former Beverly Blumenstock.

Post 12 on March 21, and a chili supper April 1.

Past presidents in attendance were presented with corsages and boutonnieres. They were Mrs. John Koser, Miss Claudine Coulter, Mrs. Stanley Maer, Bert Robertson, Clayton Creek and Harold Hillmer.

A kin for the art classes will be purchased by the PTA this year. Mrs. Jean Francis asked for cooperation in the Community Concert drive and Mrs. Alberts second grade room and Mrs. Berry's fourth grade room were winners in the room count.

Refreshments were served by the fourth grade room mothers.

Mefford Hearing Set For Closing Violation

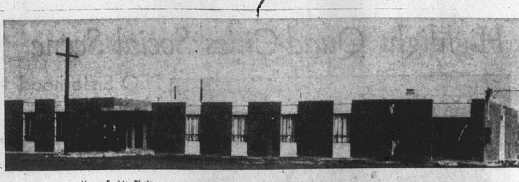

A hearing for Harold Mefford, holder of the liquor license at the Bowland alley, 5050 Nameoki road, on a county tavern closing hour violation charge, has been set for March 23 before Edwardsville Magistrate William Traband.

Mefford posted \$400 property bond Tuesday after the lounge at the establishment was raided by county deputies at 1:30 a.m. last Saturday when 21 patrons were found at the bar. Three of the deputies were served and the place was ordered closed.

Mefford was arrested last October on a similar charge and was fined. His application for a 1964 liquor license is on file at Edwardsville but has yet to be acted upon.

GC Vocational Educators Host To State Convention

Granite City schools are playing the role of convention hosts at the 35th annual meeting of the Illinois Vocational Association, which began today and will continue through Saturday noon at the Chase-Park Plaza Hotel, St. Louis.

Supt. Harold M. Kaiser has a message of welcome in the printed convention program and will address the estimated 1200 to 1500 vocational education teachers during a luncheon today evening at which Dr. M. D. Mobley, executive secretary of the American Vocational Association, will give the main talk on "The Road Ahead for Vocational Education."

Dr. Mobley will cite manpower problems of the nation and discuss the role of vocational education in solving them during the coming years.

M. A. Wittverongel, Granite City administrative assistant in charge of vocational and adult education, is convention chairman and members of the Granite City and Wood River high school faculties are serving on various committees.

Location of the convention was chosen to encourage attendance by members in the southern half of the state. IVA President C. E. Summerville has announced. He noted that the IVA for many years topped the membership in the AVA before losing out to Texas in 1963, and hopes to regain the membership lead this year.

Exhibits, Tours, Panel Talks. Many educational and commercial exhibits and tours have been arranged, and entertainment is planned for this evening.

Wittverongel's staff includes Joseph Hanson, room arrangements chairman, Mrs. Mary Lou Garbe, food services chairman, and James Dunson, audio-visual chairman, all of the Granite City high school faculty; Wallace Stevenson, Wood River high school convention co-chairman; Mrs. Rose Ann Davis, Roxana, publicity chairman; and William Woods, East St. Louis, local school exhibits chairman.

James Reid of Coolidge Junior high school will be chairman of upper elementary and junior high industrial arts, Gary Hart of Coolidge will serve as host and John Headrick of Prather Junior high will be recorder.

Several groups affiliated with the Illinois Vocational Association will hold meetings as part of the overall convention schedule.

The Illinois Council of Local Administrators of Vocational Education and Practical Arts convened last night and this morning.

The IVA board of directors is meeting this afternoon and there will be an open meeting in legislation at 2 p.m. Friday, followed by the banquet at 6:30 p.m. Friday and a business meeting at 11 a.m. Saturday.

Home-making, Industrial Arts. The Illinois Association of Vocational Agriculture Teachers will hold two general sessions tomorrow, and the Illinois Business Education Association plans an open meeting on private business schools Friday morning, a noon Friday general session at which Milton Cox of Granite City high school will be host, and separate trade exchange sessions Saturday morning dealing with cooperative skills, manager-owner skills, bookkeeping and recording skills and secretarial and clerical skills.

The Illinois Vocational Home-making Teachers Association has scheduled three general sessions Friday and Saturday.

The Illinois Industrial Education Association plans section meetings today on automotive and aviation, technical education, power mechanics, welding and adult education, and Friday on arts and crafts, building trades, guidance and occupational information, graphic arts, industrial education exhibits, woodworking, machine shop, practical nursing, general metals, diversified occupations, and high school general shop and electricity and electronics.

Louis Gould of the Air Products and Chemical Co., Granite City, spoke on "Inert Gas Welding and Its Impact on Modern Industry" during today's meeting on welding, and James Goodwin of the Laclede Steel Co. will be a panel member on "Counseling and Automation—Some Psychological Implications" during tomorrow's session on guidance and occupational information.

Sectional Speech Meet. Four Granite City high school speech students, Kenneth Ferro, Linda King, Virgil Melmborg and Andy Gecky Shaw, will compete in sectional speaking and reading competition Saturday at Belleville high school. They qualified in a district tournament held at Wood River two weeks ago.

Effort To

(Continued from Page 1.)

"Some have five years," Secretary George Stidham said he felt it was a "big effort." "I don't know if it's satisfied or not. I feel it isn't," he said. "I think it should be answered. Are you cleared up?" Dillard said, "No."

"What would you like to know?" We'll get it cleared up right now," the president said. "What if Harold became disabled?" Dillard asked and was told by Dillard that incapacity is covered in wording of the contract.

Dillard again contrasted the possible views of a future board majority and Burke asked and was told that a three-year contract is valid, the attorney added that payment after dismissal would be a matter for negotiation.

In the 6-1 roll call, Spengler included in his vote the comment that "I think Dr. Kaiser is doing a very commendable job. While I've been serving as a board member for five years, I have been very satisfied with what he has done as superintendent."

Call From Business Agent

The threat of removal of board members and school administration was relayed to him by Administrative Assistant Earl Lee. Dr. Kaiser told the board that the superintendent was out-of-town last week. Lee received a telephone call from Merrill Lindsey, Central Illinois high school custodian and business agent of Building Service Employees Local 98.

Lee said Lindsey "said both Mr. Votaw and Mr. Lewis (custodian) had complained to him. Mr. Lewis had been requested to file the furnace until his time to leave St. Louis school. Mr. Lindsey said that this was impossible by talking with Mr. Biznek and neglecting some of his cleaning duties. To do this would necessitate cleaning clinkers and ashes from the furnace, which was the lead custodian's job, and the union might have to teach Mr. Biznek a lesson by filing a grievance against him."

"I asked Mr. Lindsey if Mr. Votaw or Mr. Lewis had talked with Mr. Biznek before they had come to their business agent. He said they had done so, but he would go out today (Feb. 19) and see what the problem was by talking with Mr. Biznek and the lead custodian, Mr. Votaw," Lee continued.

Dispute Over Negotiations

"Mr. Lindsey then went into a soliloquy about the negotiations having taken so long that everyone was disgruntled. He said that the unions had all gone together and were going to force the board to negotiate directly with them."

"He said they had turned the case over to the state labor relations board, and that their international representative was standing by to help them. Mr. Lindsey further stated that if the board did not meet with them, they were going to get a court order forcing the board to negotiate directly."

"I asked him how the court could do this, and he said that it had been done at Quincy, Ill., according to the law. He said the board cannot delegate responsibility. I told him that you (Dr. Kaiser) were aware of this, but that the board had not delegated responsibility; they had delegated negotiation but not final approvals."

"It was a typical Lindsey conversation of threats. It seems that if the board and administrators refuse to do as the various unions suggest, all will be removed from office," Lee concluded.

The report was discussed and Dr. Kaiser said he planned further counseling to resolve the disagreement over operation of the school furnace. He stressed that the principal is the representative of the board and superintendent, and must make sure that the school is warm enough for children.

A proposed conference with a state conciliator, suggested by the conciliator at the request of Local 98, was rejected on the ground that it could lead to arbitration which could take ultimate contract decisions out of the hands of the school board. It was decided to express willingness to talk with him as an individual but not in an official capacity.

The decision against formal conciliation was reached on a 6-1 informal vote, with Dillard opposing it. He urged that he suggest an alternate course of action, Dillard decided to do so.

Daniel Lindsey said he did not object to the principal of conciliation but that the union was wrong in that the local had not made contact with the district since Dec. 15. He urged that the administrators contact the local and that the district aggressively seek agreement on pending contracts.

Pay Level Key Issue Dr. Kaiser said working agreements have been drawn up with various unions but that the key point of difference. In some instances, even the pay was agreed upon by negotiators but rejected by the employees, he added.

Lindsey said Granite City teachers' agreement calls for an

HONOR McFARLANDS, ON SILVER ANNIVERSARY

Mr. and Mrs. David McFarland, 2203 Rock Road were honored on their 25th wedding anniversary with a dinner party given by Mr. and Mrs. James Pickett at their home, 1838 Spruce street Sunday evening.

A centerpiece of flowers was used and there was a cake in white and silver with the number "25". A buffet-style dinner was enjoyed by Mr. and Mrs. David McFarland, David McFarland Jr., Barbara Pickett, Dina Pickett, Mr. and Mrs. James Pickett, Marie Verbyck and Miss Yole Rascati. The honorees received many gifts from relatives and friends.

WASHINGTON SCHOOL

Washington school Cub Pack 19 held its annual blue and gold banquet Monday evening at the school gym. Welles led by Assistant Cubmaster Oliver Gilmore presented the colors.

The invocation was given by Rev. George Withers. Den table decorations followed a scout meeting theme. Centerpieces and place cards were made by the den mothers and cubs. Dinner was served by den mothers and mothers of the pack. Cubmaster George Birdsong presided and Chairman Joe Elson called for committee reports.

Institutional Representative Ray Candiff introduced guests. Mr. and Mrs. Jerry Link and daughters, Mr. and Mrs. Bill Link and daughter, Jim Hines and Mrs. and Mrs. Al Bertels and sons.

Awards were presented to Steven Goodson, Dennis Reville, informal get-together with the board and superintendent at the start of negotiations, and said this procedure could be extended to other employee groups. He questioned Dr. Kaiser in detail on the steps taken to verify Mr. Lindsey's report and on future plans with Lee and Lindsey.

Spengler said he has been told directly of employee efforts to remove board members and administrators. He added that Lindsey's remarks should be kept in perspective, since they were made not as an individual but as an elected spokesman.

3 Of 4 Venice Township

Budgets May Be Reduced

Plans to reduce three of the four Venice township budgets in 1964-65 were made during a monthly town board meeting last night.

Probable totals are \$127,600 for general assistance, \$42,900 for the town fund, \$55,500 for the retirement fund and \$26,177 for township roads, compared to 1963-64 figures of \$137,210, \$46,770, \$50,015 and \$32,849.

The road fund fiscal year is being changed from June 1-May 31 to the regular township year of March 31-March 29. Tentative budgets will be announced later next week, and a public hearing will take place at 7:30 p.m. Tuesday, March 31.

Ricky Smith, Barry Jett, Gary Lewis, Danny Norwood, Tommy Adams, Michael Richardson and Ronald Keston.

Recognition of pack leaders was given by Birdsong and Elson. The meeting closed with prayer by Rev. Withers. Approximately 180 attended, and the evening attendance ribbon went to Den One.

'Nig' Ford's House

(Continued from Page 1.)

The report did not indicate where Ford was at the time.

Ford, who is free on an appeal bond, was found guilty by a jury last Saturday in Edwardsville and was sentenced to a year in jail and fined \$500 on each charge by Magistrate Earl Vaugnau.

Sheriff's officers raided the establishment on Feb. 14 and Jan. 31, and also arrested Delores Williams, 24, of the same address, who was sentenced to a total of nine months in the county jail and was fined \$200 on each of two charges of prostitution.

Home Improvement Loan Leads To Man's Arrest

Vernell Jackson, 34, of 1213 Douglas street, Venice, was arrested at 3:30 p.m. Wednesday on a charge of forgery in a complaint filed by the First Granite City National Bank.

Police said that on Feb. 21 he and an unidentified woman, who was not his wife, obtained a home improvement loan of about \$500 from the bank for property owned by someone else. They signed the names of the owners, police added.

Under questioning today, police said that on the same day the two obtained an \$800 loan from another Granite City financial institution, using the same property and same names.

Authorities said that he also admitted similar loans from St. Louis financial institutions in addition to some legitimate loans.

He was taken into custody by Venice police at the Dow Metal Products plant where he is employed after he was identified by a bank employee. Police were seeking his female companion.

Called To Michigan

Mr. Harold Rochester, 2628 Madison avenue, was called to Detroit, Mich., today due to the serious illness of his father.

Woman Hurt In Two-Auto Crash At Rail Crossing

Starting his car forward to provide sufficient clearance for an on-coming train in back of him, John Albert Heacock, 48, of St. Louis struck the rear of a car driven by Josephine A. Bailey, 38, of 2807 Roosevelt avenue, at 3:30 p.m. Monday at the 19th street rail crossing.

Both drivers were waiting for a train in front of them to pass. She complained of pains, but there was no record of treatment. The cars were damaged at point of impact.

Man Charged With Theft Of Automobile Engine

Phillip Clutts, 20, of 1330 Meridian street, was arrested at 4:40 p.m. Wednesday on a charge of theft of less than \$150 and was released on \$100 cash bail pending a hearing.

He was charged with stealing an automobile engine from a car owned by Robert Swiatek, 2314 Lincoln avenue, more than a month ago. Swiatek had left it parked outside overnight before bolting the engine down.

Store Burglary Attempt

A break-in attempt occurred between 8 p.m. Monday and 9 a.m. Tuesday at the Sterlino Television and Appliance Co., 420 Madison avenue, Madison. A bar was used to pry the front door, springing the lock, but entrance was not gained.

Arrests Follow Pool Cue, Beer Bottle Attack

Aggravated battery charges have been filed against two of four Granite Cityans who were still in the custody of Madison police this morning. A third is charged with battery. The four had visited the Johnny Lewis tavern, Fourth street and Madison avenue, at 1:30 a.m. yesterday.

Robert Minks, 21, of 1235 Kessler street, Venice, allegedly was attacked simultaneously by Carl W. Hoffman, 27, of 3220 Wayne avenue, who reportedly hit him on the left side of the head with a pool cue, and Jimmie Fred Ray, 26, of 2504 Denver street, who reportedly hit him over the right side of the head with a beer bottle.

The two are charged with aggravated battery and Minks is being treated at St. Elizabeth Hospital, where his condition today is fair.

First of four persons apprehended was Ray's brother, Charles Alfred Ray, 18, also of 2504 Denver street, who was in custody of Madison jail at 3:10 a.m. A few minutes later he allegedly kicked and struck a 22-year-old Granite Cityan who was in custody for questioning on another matter, inflicting cuts and bruises about the mouth, nose and face. Charles Ray is charged with battery and the collimate will not be charged in either the investigation or the cell fight, police said.

The fourth man with the two Rays and Hoffman at the tavern is being held as a witness to the attack on Minks. Re-arrestment of the trio is scheduled today.

Car Knocks Down Sign

An auto entered the Red Crown Liquor Store driveway, 312 Madison avenue, Madison, at 6 a.m. today and knocked down a steel post and beer sign in the parking lot. Area police were alerted but could not locate the car.

6 GC, 5 Madison, 2 Venice School Board Candidates

Thirteen candidates have filed for seven school board positions in the Quad-Cities since filing periods opened yesterday morning.

Three maintained an all-night vigil in the cold at the Granite City board office—Richard G. Neumann, 3425 Lydia lane, who arrived about 8 p.m. Tuesday; Robert "Bob" Crider, Rural Route One, shortly before 9 p.m.; and Frank Mehele, Route One, about midnight.

Others who filed in Granite City yesterday were Boyd B. Presley, Route One; Dr. E. W. Walton, 57 Janday lane; and Jack Speed, 1411 Norwood drive (rural).

A city and a rural position are to be filled. Those planning to file include an incumbent, Ralph Erickson, board president. Secretary George Stidham of Mitchell said after Tuesday night's meeting that he does not plan to run to a wish to spend more time with his family. Stidham added that he has enjoyed his term on the board and hopes to hold public office again at some future time.

Two Venice incumbents, Thomas Foley and Leo Devorny, also filed. They are seeking re-election. They have not obtained petitions. Fred Duerer Jr., 601 Jefferson avenue, and John E. Gonterman, 1009 Third street, filed yesterday and petitions were given to Joe Roberts and Herman Smith, both of Eagle Park Acres.

Three Madison school board incumbents filed for re-election yesterday and there were filings this morning by Rev. Oscar S. Erickson, 1114 Logan street, and Clinton Bailey, 906 West Madison street. The incumbents are Fred Duerer Jr., 601 Jefferson avenue, and John E. Gonterman, 1009 Third street, filed yesterday and petitions were given to Joe Roberts and Herman Smith, both of Eagle Park Acres.

Two large spinner hubcaps were stolen during the night from a 1957 auto owned by John Stank, 2611 East 25th street. It was reported at 5 p.m. Tuesday.

Mrs. Barbara McKay, 81, Dies Today

Mrs. Barbara Sarah (Ogle) McKay, 81, of 254 Main street, Venice, died about 9 a.m. today at an Alton hospital where she had been a patient since Jan. 21. She had been ill several years with diabetes and a heart ailment.

Mrs. McKay, whose husband, Silas, died in 1937, had lived in Venice since 1926, moving there from Mitchell where he had resided 13 years. She was a native of Jefferson county, Mo. She was a member of the Royal Neighbors and the Mitchell Presbyterian Church.

Survivors include four sons, Hayden and Orville of Granite City, Wilburn of Mitchell and Harold of Fairbanks, Alaska; a daughter, Mrs. Zepha (Opa) Andrews, Venice, 12 grandchildren and 21 great-grandchildren.

Funeral arrangements are pending. Further information is given in today's obituary column.

\$2000 Fire Damage At Venice Home Yesterday

Fire caused \$2000 property damage and \$800 loss to contents at the home of Mr. and Mrs. Alex Williams, 1213 Market street, Venice, at 1:40 p.m. yesterday.

The blaze of unknown origin started in a back bedroom of the one-story frame home and was limited to the bedroom and kitchen.

Jewish Festival Topic Of Madison Rotary Club

Jewish history was related to Madison Rotarians yesterday by President-elect Lawrence Falkes in discussing the Festival of Purim, which is being celebrated by Jewish people last night and today. The observance traditionally includes reading of the story of Queen Esther, he said.

Plans to seek a larger membership were announced by President Lewis Waggoner, and fundraising activities were discussed.

Shots Fired

(Continued from Page 1.)

Very little money was taken, however, as the machine is emptied every night, police said.

The machine, containing a \$600 money order, placed in the mailbox by James Boyd, 35 Lee Wright street, was stolen before the mailman arrived there, Venice Postmaster Charles Simmons informed Venice police Tuesday afternoon.

Portable Radio Stolen A small portable radio was believed to be stolen from an auto owned by Charles Brown, 2632A Madison avenue, last Saturday while it was at a car wash, he reported at 3:45 p.m. Monday.

Money Missing A woman reported that she left her purse in a women's rest room at 8 p.m. Wednesday at the Scott's shoe store at the Belmore Village shopping center and when she returned for it a few minutes later, it was gone. She said the purse was returned by a man who found it, but the owner said the money missing. It had contained about \$4 in addition to car keys, a wallet and cards.

Equipment of the Layne Western Co., Kirkwood, Mo., which is doing work for the Union Electric Co. on the project in Venice, was stolen from a shed there, police were notified Monday. Taken were a wiring meter, gauges, 75 feet of hose with couplings, a wrench and an aluminum level.

Atty. Randol Robertson said the two areas within the city limits were not annexed to the police district when they were annexed to the city, as is the usual custom, and the oversight will be corrected by a referendum election in order to add the areas.

Bids were accepted—\$200 for repairs on the Community Center roof by Quad-City Roofing Co. and \$238 for lighting of two tennis courts and two additional lights at the swimming pool by Rite Electric Co.

Approved were the following items and projects for 1964: a rake unit tractor attachment at cost of \$735; three small picnic shelters at Wilson Park, \$198 each; an electric type toilet, \$198; a legal-size file cabinet, \$35; bleachers for a new Fehling road baseball field, about \$28; a gas pump for the swimming pool, \$400; a well to provide water for four baseball fields, about \$350.

A steel fence around the Wilson Park water fountain, \$504; a new drinking fountain for the Community Center, \$273; a time clock for concessions stand, \$100; a "bucking bronco" for children, \$290; two bicycle racks, \$134; six wooden dugout benches for the swimming pool, \$118.

Several more expensive items were passed over and may be taken up at Saturday's meeting.

In accepted the new set of baseball rules for park league teams. Set for the first game of the father-son bowling banquet for 6:15 p.m. March 30 at the Community Center.

At 5 p.m. March 23 for the annual baseball parade.

Agreed to pay expenses for traveling of director of parks and recreation, and John Birdson, Community Center director, to the Great Lakes Recreation Conference April 1-3 in Milwaukee, Wis.

All four of the men were held under \$5000 bonds pending action by a federal grand jury. Harris was attempting to make bond yesterday. None of the men have criminal records, authorities said.

Next To Church Davis' printing shop was in one of four business offices in a two-story brick building which contains apartments on the second floor. The other offices were located in Venice and Madison next door to a mission church.

This office contained scattered chairs and furniture and some printing supplies setting on a table. More materials were located in back rooms.

All four of the men were held under \$5000 bonds pending action by a federal grand jury. Harris was attempting to make bond yesterday. None of the men have criminal records, authorities said.

Service Station Men Form New Association Fifty-six service station operators of Granite City, Madison, Venice and Mitchell met last night at the offices of the Associated Retailers & Civic Association and organized the Quad-City Gasoline Retailers Association. Of those, 34 signed up for membership.

A committee was named by acting chairman Richard Sparks to contact all of the 68 station operators in the area to explain the aims of the association. Committee members are Mike Vesel, Robert Bradley, Willie Schuler, Leonard Anderson, Elmer Branding, John Bell, Ralph Strider, Douglas Niles, Robert Brokaw, Edw. Emmy, Andy Skala, Charles Updike, Harry Fryntzko and Sparks.

The group elected Alvin Barnes Jr. as permanent secretary. Operators not at last night's meeting may obtain details from Barnes at TR-64424. Two more meetings have been scheduled for March 4 and March 11, both at 8:15 p.m. at the Ellis Club.

The organization was formed, the operators said, for these reasons: To combat increasing pressures to cut prices; to explain to the public that operators must start collecting the sales tax on March 1 to increase strength in future union negotiations, and to set up trade programs for station attendants.

Radar Speed Arrest Ralph E. Thomas, 42, of 530 Fleming avenue, was arrested at 2800 Madison avenue at 9:30 p.m. today on a charge of speeding as police placed their radar into use.

GC Park Board To Meet Again On Rink, New Park

A meeting to discuss the proposed ice skating rink at Wilson Park and developing a new park area off of the old road on the east limits of Granite City was tentatively set for 8 p.m. Thursday at a meeting of the Granite City park district board last night.

Police said that on Feb. 21 he and an unidentified woman, who was not his wife, obtained a home improvement loan of about \$500 from the bank for property owned by someone else. They signed the names of the owners, police added.

Under questioning today, police said that on the same day the two obtained an \$800 loan from another Granite City financial institution, using the same property and same names.

Authorities said that he also admitted similar loans from St. Louis financial institutions in addition to some legitimate loans.

He was taken into custody by Venice police at the Dow Metal Products plant where he is employed after he was identified by a bank employee. Police were seeking his female companion.

Called To Michigan Mr. Harold Rochester, 2628 Madison avenue, was called to Detroit, Mich., today due to the serious illness of his father.

7 Criminal Cases From Area Set For Trial; Others Pend

Seven defendants charged with crimes from the Granite City area are scheduled for trials starting Monday in the county circuit court at Edwardsville. All but one were indicted by the January session of the Madison county grand jury.

The exception is Melvin Travis, 21, of 1042 Cleveland boulevard, charged with burglarizing a business establishment last fall and summer. While out on bond, he was again arrested on charges of burglary and criminal damage to property last November at the P. N. Hirsch store. The other defendants are:

William E. Everts, 18, of 2227 East 23rd street, charged with armed robbery of two Granite City newsboys in December; John M. Holte, 18, of 1628 Cleveland street, charged with burglary, 17, of 2143 Benton street, charged with burglary at Bob's Barber Shop, 210 Adams street, also admitted four other burglaries and thefts.

Alfred Grisson, 33, of 126 Carver street, Eagle Park Acres, charged with voluntary manslaughter in the Nov. 20 death of Mrs. Duree Johnson, 18, of Eagle Park Acres; Eugene Allen, 21, of the Granite City Army Depot, the soldier was seriously wounded in an attempt to rob Clarence Lyle, 80, proprietor of Lyle's drug store, 21st street and Delmar avenue, in early December.

Hugh Bertrand, 28, of Chicago, charged with assaulting and kidnapping Mrs. Orel Zek, 60, of 1709 State street, last December.

The murder trial of Wilson M. Earhart, 30, of Apt. A, 705 Madison avenue, Madison, charged with the fatal shooting of John Allen Salmon, 24, of 2033 Fifth street, East Madison, last Oct. 28, was continued until April 6 on the motion of the defendant.

Unscheduled Cases Cases will be scheduled when they appeared on the Nov. 18 criminal setting of circuit court include those of Billie Castle, 20, of 2118 Missouri avenue, and Jack Brooks, 20, of 2313 East 23rd street, charged with burglary and theft at the Gattuno Gardner market last fall in West Granite.

While they were out on bond, Brooks, along with Charles Ray, 18, of 2504 Denver street, and Earl Keel, 20, of 1818 Denver street, were trapped during a burglary inside the VFW hall on Nov. 18. This case and one of a number still pending in this area which did not appear on the last grand jury, though they were bound over.

Others include: Robert W. Forrester, 19, of 2117 Delmar avenue, charged with the slaying of John Belovich, 22, of 2070 Denver street, last November. This case and one of a number still pending in this area which did not appear on the last grand jury, though they were bound over.

Allen J. Thompson, 21, of 1014 College street, Venice, charged with burglary at the Jenkins drug store, Venice, last November.

William Henderson, 33, of 1203 Douglas street, Venice, charged with burglary at a pool hall last November; Edward J. Kern, 32, of 1547 Collinsville avenue, Madison, charged with burglary at Clinton's tavern, 1633 Market street, last fall; and Orla J. Mackey, 22, of Denver, Colo., charged in the shooting of his father in Granite City last October.

An older case which has never been prosecuted is a theft charge against Mrs. Carolyn Brush, Hillsdale, Mo., in connection with a television set from the H. R. furniture store last April. Her husband was shot and killed by Granite City police during a chase which followed.

A deputy circuit clerk said some older cases are to be scheduled for hearing soon.

No Charges Planned On Tavern Poker Game Venice police do not plan to file charges in conjunction with a reported poker game at the Goodrich tavern at which a Granite Cityan allegedly lost \$110, Chief Frank DeWitt said today. The game was played Tuesday and police ordered it halted.

DeWitt said it was not a "professional game" but rather a friendly game started by customers. Now that a complaint has been ordered, police will make sure it is not resumed, he added.

1801 Fifth street, occurring Sunday night and reported Tuesday; and Paul Howard, 805 Lee avenue, Monday.

Owners of parked cars with single tires cut and flattened Saturday were Edmer E. Everts, 18, of 1628 Cleveland street, charged with burglary, 17, of 2143 Benton street, charged with burglary at Bob's Barber Shop, 210 Adams street, also admitted four other burglaries and thefts.

SOCIETY Job's Daughters Enrolls 14;

Eagles Auxiliary To Travel Sunday

The Eagles Auxiliary 1126 met Tuesday evening with Mrs. Helen Prengel presiding.

Arrangements were made for members to meet at the Eagles Home at 22:30 p.m. Sunday to attend a district meeting in Jerseyville. The speaker will be past state president Margaret Kane of Mathersville, Ill., who is now serving as state membership chairman. Entertainment following Sunday's meeting will be furnished by the Eagles' Kitchen Band.

A thank you note was received from the "Chapel of Four Champions" for a contribution received, and a donation was sent to the Hy Sky Girls Ranch in Midland, Tex., a charitable project supported by the Auxiliary.

Mrs. Bernice Johannmeier, visiting chairman, reported on members who are ill and Mrs. Rinda Brown urged active participation by the membership in the fund-raising drive now underway for needed air-conditioning.

Also planned was a dinner for the Auxiliary and the Aerie March 7 at 6 p.m. The remainder of the evening was spent socially, and prizes were won by Mrs. Dottie Shupert, Mrs. Florida Batson and Mrs. Ellen Krick.

Refreshments were served from tables decorated in keeping with George Washington's birthday. They featured small hotcakes entwined with cherries. Dances and games were in charge of the social chairman, Mrs. Fay Beigs, the serving committee consisted of Mrs. Dolores Klesh, Mrs. Kathryn Clark, Mrs. Theresa Deigler and Mrs. Helen Robinson.

Luncheon was served and the gifts for the bride-to-be were placed on a table covered with a miniature bride and attendants descending a staircase, flanked with candles and a double heart-shaped cake with the names "Pat and George."

The bride was assisted in preparing the packages by the young women who are to be in the wedding party, Miss Carol Lynn Heile, maid of honor, and Miss Henrietta Toth, Phyllis Kule, the bridegroom's sister and Mrs. Sandy Rinaldi of Overland, Mo.

Sorority Plans Officer Election

The home of Mrs. Harvey Ehling, 3305 Franklin avenue, was the place of meeting last night for Xi Epsilon Chi Chapter of Beta Sigma Phi sorority.

Mrs. Lewis E. Rains, president, presided. The service committee chairman, Mrs. Michael Lombardi, gave a report on chapter volunteer work during the Heart Sunday fund raising drive, during which Mrs. Rains served as area chairman, and Mrs. Leland Brackett, Miss Alice Holshouser, Mrs. Ehling, and Mrs. Lombardi acted as captains.

Refreshments were served by Mrs. Paul Ashford, Mrs. Jack Calve and Mrs. Jack Tolliver were neighborhood collection workers.

Mrs. Calve, who heads the nominating committee, presented a proposed ballot for the next regular meeting.

Mrs. Brackett was in charge of the cultural program and, Mrs. Lombardi and Miss Holshouser reviewed the intent and support of community and individual service activities.

Gadget Shower For Bride-To-Be

Another in the list of parties given for Miss Nancy Flesman is a gadget and recipe shower at which Mrs. Morris Helman and Mrs. Melvin Freedman were hostesses last night.

The party was held in the Freedman home, 2543 Cleveland blvd., and a color scheme of green, gold and white was used. Refreshments were served and favors for the guests were cosmetic bags. The gifts for the bride were arranged on the buffet in the dining room.

Those attending were Mrs. Lenard Flesman and Mrs. Dawson Wade, parents of the bride and groom-to-be; Mrs. Fred Schuman, Mrs. C. E. Townsend, Mrs. David Friedman, Mrs. Ted Berger, Mrs. Darrell Crews, Mrs. Mary Gene Knutke, Mrs. Jewel Frizzell and the honoree.

Mehlville Bethel Visits

Bethel 43, International Order of Job's Daughters, met Tuesday evening at the Masonic Temple, Miss Connie Mathews, honored queen, presided.

Fourteen new members were initiated Tuesday evening, including Marian Sullivan, Lois Foster, Jackie Ross, Linda Shaffer, Brenda Kish, Marsha Ann Lane, Sandra Caple, Roberta Ebrecht, Linda Hollis, Janet Seibert, Debra Harrison, Sue Hogan, Sheryl Mitchell and Linda Peters.

Guests escorted and introduced were: Mrs. Geraldine Merriman of Belleville, deputy grand guardian, inspecting officer, and Thea's associate guardian; a n d Guardian of Bethel 24; Louis Mohler, Alton, grand inner guardian of Bethel 95; Miss Janet Spradling, honored queen of Bethel 47, Mehlville, Mo.; Mrs. Edith Champion, a past honored queen and grand treasurer of Bethel 43; Miss Lydia Teller, junior past honored queen of Bethel 33; Mrs. Lillian Heinemann, a past honored queen and

Refreshments were served to about 200 members and guests by the ladies, Mrs. Mary Ann Foster, Mrs. Nell Baskette, Bethel Guardian; Dr. E. H. Amos Rode, promoter of fraternal relations of the Bethel.

Bride-To-Be Is Honored

Miss Pat Toth, who will be married April 4 to George Kule, was guest of honor this week at a miscellaneous shower given by her sister, Miss Henrietta Toth, her aunts and the guests of the groom-to-be.

The prospective bridegroom is a son of George Kule, and the late Mrs. Emma Nemeth Kule. The wedding will take place at St. Elizabeth's Catholic Church.

Games were played and a number of prizes were awarded. Luncheon was served and the gifts for the bride-to-be were placed on a table covered with a miniature bride and attendants descending a staircase, flanked with candles and a double heart-shaped cake with the names "Pat and George."

The bride was assisted in preparing the packages by the young women who are to be in the wedding party, Miss Carol Lynn Heile, maid of honor, and Miss Henrietta Toth, Phyllis Kule, the bridegroom's sister and Mrs. Sandy Rinaldi of Overland, Mo.

Hospital Group Tours X-ray Dept.

The X-ray department of the St. Elizabeth's Hospital Auxiliary Monday evening with Mrs. Helen Bergfeld, president, in charge.

Sister Mary Paul, who is in charge of the X-ray department, was introduced and conducted a tour of the department and explained the operation of the machines and the Auxiliary will help defray the expense of their purchase. The unit is attached to the existing X-ray equipment and will give better performance. It will also subject the patient to less radiation. The cost will be \$8,000 and the price will be defrayed by the Auxiliary.

Reports were made by Miss Marie Zimmer, Auxiliary treasurer, and Mrs. Elvira Thurber, secretary, of the fund-raising drive, and final plans were made for a pillow case festival April 5.

Tray favors are made each month by the Auxiliary members of the hospital and volunteers for the fund-raising drive. March are Mrs. Elizabeth Kelly, Mrs. Martha Page, Mrs. Irene Argelman and Mrs. Grace Hemrich.

Prizes were awarded to Mrs. Mary Opich, Mrs. Philomena Gruber, and Mrs. Ann Gasparovic. Refreshments were served after the meeting to 30 members.

Legion Unit 113 Aids Memorial

The American Legion Auxiliary Unit 113, met last night with Mrs. Evelyn McCollegen presiding.

A contribution was made to the Leonard Wood Memorial, a new member, Mrs. Hazel O'Keefe, was enrolled.

Most Repairs Do Not Boost Property Values

Von Dee Cruse, Granite City township tax assessor said, normal repairs and maintenance of both commercial and residential property by owners do not mean an increase in tax assessments.

He said that many persons fear that they would be penalized through increased assessed valuations and would prefer to let their property rot rather than pay higher taxes, but he insists that this is not necessarily the case.

There are many types of normal maintenance and repairs on properties that do not increase assessed valuations, Cruse said, and he issued a guideline so that property owners may know which improvements may be made without assessment hikes. He commended downtown business proprietors and a few home owners for making their buildings attractive, which in most cases resulted in no increases. "As a result, Granite City has an attractive shopping area," he said.

Policy Not New

Cruse said that this is not a new policy, but that he is making a public statement on the matter for the first time to inform property owners of the policy.

"There will be no increases as long as the improvements do not add to the longevity of the property itself," he said.

"For example, repairs and replacements, such as new siding, new store fronts, facades of buildings, new storm windows

and doors do not increase the assessable value. Good maintenance not only preserves the investment you have in your properties, but keeps blight from gaining a foothold in your neighborhood.

You can make many property improvements that do not increase your assessment because they are considered normal upkeep. An expenditure required for the realization of original life expectancy is not one which will increase assessed value.

List Guide Lines

Exterior work in his guideline which has no effect on assessments includes adding or replacing gutters or downspouts, plugging siding over existing siding, repairs or replacing sidewalks or drives, repairs to trucking platforms, canopies, steps, etc., insulating with weather stripping, storm doors or windows, repairing or replacing fences, replacing existing masonry (make new openings or remove same), repairing or altering roof (replace old roofing materials).

Adding or improving lawns, shrubs and landscaping, painting, decorating or changing exterior ornaments, installing awnings, shades or screens, repairing or replacing window or door openings, repairing or replacing new store fronts, facades of buildings, new storm windows

and not part of complete modernization, replacing heating units, boilers, tanks, etc., adding partitions for closets and storage areas (excluding conversions), installing automatic hot water heaters, replacing old cement or wood flooring, plaster panelling, etc., painting, plastering, redecorating or retinting windows and doors and installing exhaust fans.

More extensive improvements will result in increased assessments but benefits received from the improvements may far exceed the slightly higher tax to be paid, Cruse said.

List Examples

As examples he used adding additional rooms to the existing structure, replacing siding with masonry veneer or face brick, new carports or garages which are not replacements and adding additional footage to commercial establishments.

"It is my belief that such improvements can materially aid the property owners and their neighborhoods in the older sections where a multitude of problems demand immediate consideration of all of us," he said.

"It has been my contention that many property owners have refrained from making their properties more attractive and efficient because of assessment valuation and the fear of higher taxes."

Interior Work

Interior work which will not increase the assessed value includes rewiring electrical systems and modernizing fixtures, replacing plumbing fixtures (if

Stop dry air damage and during the heating season

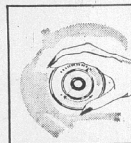

THAT "DRIED OUT" FEELING

Heated air in the average home is drier than the Sahara desert. This means dried-out nasal tissues and discomfort. It can pave the way for coughs and colds. When you heat—humidify.

FURNITURE COMING UNGLUED

Dried-out air in your heated home damages furniture, pianos, carpet and drapes. To prevent cracks, unglued joints, take this advice: when you heat—humidify.

OVERHEATING TO KEEP WARM

If you and your family feel cold in winter where you push the thermostat, you may be overheating because dried-out heated air feels cold when it isn't! When you heat—humidify.

College Group To Give Play Here On Sunday

The Elmhurst College Theatre will present the modern play, "Christ and The Concrete City," at both worship services, 9 and 10:20 a.m. Sunday at St. John United Church of Christ on Nameoki road, according to an announcement by the pastor, Rev. Paul Surbey.

The play is by a cast of six players, among them Miss McCella McLester, a daughter of Mr. and Mrs. Edward McLester, 2332 Edison avenue, and a member of St. Peter E. & R. Church.

It is the story of a great historic fact and the details are taken from the four Gospels. The story of the Passion is one of universal significance and at various points the cast acts as a chorus, as a unit with a number of voices rather than a group of individuals.

Miss McLester plays the part of the second woman. She is a junior biology major who has also appeared in the presentation "Torch Bearers."

Following the second presentation the congregation will participate in a family-style pot luck dinner in the church dining room. This will afford an opportunity for the congregation and friends to get acquainted with the cast and the supporting members of the Theatre Guild.

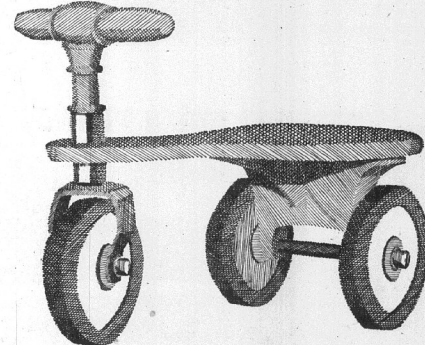

Lights In Easements Would Cost City More

Illinois Power Co. advised the Granite City council by letter Monday night that installation of lights along easements that are not on public thoroughfares cannot be installed under the street light agreement. Carl Mathias, area service manager, said the rate for such lights would be higher.

The letter was referred to the Light committee, headed by Steve Basarich, and a meeting with Mathias is to be arranged. The city had requested lights in easements at 1712 Garfield avenue and at 2107 and 3128 Princeton avenue.

In another letter, Mathias requested permission for a new sign that will partially overhang the sidewalk to be installed at the Illinois Power Co. office, Niedringhaus and Delmar avenues. The request was referred to the Street and Alley committee.

An offer by the Municipal Code Corp. to revise the city's municipal code was referred to the Legislative committee for study.

Merit Scholarship Kathy Yearman To Head Tests To Be Given March 10 At GCHS

All 1965 graduates of area high schools who wish to enter the 1964-65 national merit scholarship competition should register now at the school guidance office, Lawrence C. McCauley, principal of Granite City high school, announced today.

The NMS qualifying test will be given March 10 at the schools. Students who will complete secondary school in 1965 and enter college in the same calendar year are eligible for scholarship consideration in the 1964-65 merit program.

To receive consideration, the student must take the test when it is offered in his school. Participating students pay a \$1 fee on the day of the test. Any interested student who is unable to pay the fee should contact the principal.

Awards in the merit program are granted on the basis of intellectual merit, but student financial needs determine the amount of individual stipends. The stipends are renewable each year without further testing.

Career Planning

A student's performance on the qualifying test also provides him with information that is useful in career planning or in selecting courses in high school and college, McCauley said.

After the test, each participating student will receive a "Handbook for Merit Program Participants" prepared by Science Research Associates, the testing agency. The handbook is designed to help students understand their individual test results, to make comparisons with

scores of high school students across the country, and to use this information in making educational and vocational plans. Students can learn more about their educational strengths and weaknesses, whether or not they plan to attend college, McCauley said.

Choral Program

On Monday the high school chorus will present a program to include Mitch Miller songs, Irish songs, music from Broadway musicals and Easter tunes. The Mitch Miller tunes will be directed by Bill Barritt. A sixth grade quartet composed of Billy

Warren Markell, son of Mr. and Mrs. Alton Markell, 2633 Adams street, is one of 170 students at the Carbondale campus of Southern Illinois University to be named to the dean's list for the fall quarter (straight A) grade average.

Markell, a Granite City high school graduate, has completed two years of general studies at SIU and now is enrolled in a two-year sequence in data processing at Southern's vocational-technical institute.

This special knowledge will help him find a part-time and summer job, proceeds of which will return him to Southern for additional work toward a bachelor's degree. His father is a civilian employee with the Corps of Engineers in St. Louis.

Basic Of Awards

In addition to the awards made by the National Merit Scholarship Corp., about 175 business corporations, foundations, colleges, professional associations, unions, trusts and individuals give scholarships through the merit program. A considerable number of other scholarship agencies utilize the services of NMSC in awarding their scholarships.

NMSC was established in 1955 through grants from the Ford Foundation and the Carnegie Corp. of New York. An additional Ford Foundation grant to extend the merit program through 1970 was announced in 1962.

In the period 1956-63, about 7500 students have received merit scholarship awards and thousands of other high-scoring students have been assisted in obtaining financial aid from other sources.

Johnson Rd. Car Wash Request Under Study

Taken under advisement by Granite City council members to study traffic problems and to determine zoning was a request received Monday night from Harold Munro and Conrad Baker for two 35-foot drive-in car washes on Johnson road near 200-250 feet east of Namiok road.

It was explained that the property, located about 200-250 feet east of Namiok road, is zoned C-1 Commercial, which includes service stations, but not car wash operations as such.

The zoning study was referred to the City Plan Commission after Eighth Ward alderman Earl Thompson pointed out there would be houses on either side of the business.

Alderman Donald Partney questioned the firm's layout and how it would involve the traffic on Johnson road. He and Thompson added that vehicles often are tied up for more than 200-250 feet along Johnson road from Namiok road.

Eberhart Seeks Zoning Change For Mitchell Tract

The Madison county zoning board of appeals will conduct a public hearing at 1:45 a.m. March 13 at the site on a petition of Ben Eberhart, owner, to remove a tract in Cheateau township from B-2 general business to R-3 for a one-family residence.

The tract is along the north frontage road of Federal Aid Route 270 near the intersection of old Route 13 at Mitchell.

Steel Institute Operating Here Receiving National Acclaim

The Steel Institute co-sponsored by Granite City Steel Co. and the Granite City school district is winning national acclaim. It is featured in the current issues of two leading magazines, Steel-The Metalworking Weekly and Business Management. Practical Solutions to Management Problems.

Business Management's February publication, an 80-page issue, headlines "Help Your Employees With Self-Education Programs".

"Technological changes in business and industry make hundreds of jobs obsolete each year. Unless employees are trained or retrained, they will be out of the business. A company might lose its investment in reliable and faithful personnel, creating an employment problem."

"For example, if a bookkeeper is unable to operate some of the new accounting equipment your firm may purchase, you may have to release her or give her a chance on hiring someone else who may not have company interest at heart. Teaching loyalty, honesty and faithfulness is more difficult."

Changing Technology

"One company that has embarked on a steel institute is the Granite City Steel Co., near St. Louis. The company has a 360 employee task force in mathematics, communications, and community education in an attempt to keep up with the changing technology of the steel industry."

"The institute operates under the official sanction of the Granite City school district, with its faculty drawn from the company's own staff of engineers and scientists. Classes are held at night in local public schools. "Now in the middle of its first year, the institute is running for a 30-week period. Most of the subjects meet three hours a week in class for 15-week semesters."

High School Certificates

"Since a high school diploma or its equivalent is required for most of the math, science and engineering courses, the institute also offers a preliminary course in general education development. This class is taught by a high school teacher and prepares students for an Illinois high school certificate."

"Cost to the company? The institute qualifies for financial assistance under the National Defense Training Act. Funds from the source cover much of the expenses, while the company pays the remainder. Employees are enrolled free, and no charge is made for books or equipment."

Readiness For Emergencies

"They may know what to do when the dial reads a certain way, but they don't know why and may not be able to handle a new piece of equipment, some unusual situation or an emergency. We want to help them learn how. If they don't move up in their jobs, they will be out of jobs."

"Granite City has had training programs before, such as typical apprentice instruction and specialized technical courses to solve specific problems. It also supports the study of about 100 employees in job-oriented adult education courses at Granite City high school and a nearby college."

Learn All Operations

"Two steelmaking sessions are given. One is aimed at acquainting all workers with the operation of the plant. The other is aimed at acquainting all workers with the operation of the plant. The other is aimed at acquainting all workers with the operation of the plant."

"The company also sponsors other adult education programs, some in its plant, some in schools, some in nearby universities. The point is, this is one firm that intends to keep its employees up-to-date in modern industrial technology - to keep its employees."

Amazing Enrollment

An introduction points out that a amazing number of workers of all ages and levels at Granite City Steel Co. have signed up for the first year of a 30-week Steel Institute. Courses are in basic mathematical and physical sciences and in steel-making techniques, all aimed at imparting the fundamental knowledge needed to cope with technological change."

The article comments that "nobody in the plant knew how to take care of the electrical equipment components on a new rolling mill."

"A galvanizing line of new design was functioning badly, a supplier's serviceman reported, because of inadequate maintenance."

"Both incidents highlight the need for the type of education the company is adopting. All members of the teaching staff have completed a 45-hour teacher training course."

Skills To Match Equipment

"In this instance, the company has Granite City Steel Co. Such incidents brought home the realization to the unions and management that the firm's profits would suffer if its people skills were not up to the level of its highly automated equipment."

"One alternative was underlined: Hire new people with the required skills and create technical unemployment. The route taken: Retraining."

"Granite City set up a 30-week training program for 350 employees, about 10% of the work force. Courses cover fundamental mathematics, basic physical sciences and steelmaking, including present and prospective practices."

"The aim is to upgrade the technical competence of student-employees and prepare them for a role in steelmaking of the future. The company is confident that even the average worker will be able to acquire the basic knowledge needed to cope with automated equipment."

"Without such background and greater technical competence, how would the workers be able to take care of the plant?" The question is asked by Stanley D. Gers, supervisor of training, who adds:

"They may know what to do when the dial reads a certain way, but they don't know why and may not be able to handle a new piece of equipment, some unusual situation or an emergency. We want to help them learn how. If they don't move up in their jobs, they will be out of jobs."

"Granite City has had training programs before, such as typical apprentice instruction and specialized technical courses to solve specific problems. It also supports the study of about 100 employees in job-oriented adult education courses at Granite City high school and a nearby college."

"This new program, of course is different. Mathematics courses (algebra, geometry and trigonometry) are prerequisites to the classes in chemistry, metalurgy, physics and steelmaking."

Learn All Operations

"Two steelmaking sessions are given. One is aimed at acquainting all workers with the operation of the plant. The other is aimed at acquainting all workers with the operation of the plant."

"The other is aimed at acquainting all workers with the operation of the plant. The other is aimed at acquainting all workers with the operation of the plant."

Years Of Training

"A cooperative labor union. The backing of Granite City Steel's two major unions, United Steelworkers and International Chemical Workers, was essential. They encouraged the workers to sign up and gave the venture their blessing," he adds.

"Raymond Newby, chairman of the USW Joint Committee at the mill, calls the institute 'potentially the most valuable thing of all mill departments.'"

"We had a blast furnace worker for 20 years without ever seeing a furnace tapped," comments Gers.

"The other course, called Process Methods and Practices, is a detailed examination of the processes of steelmaking. New developments and trends are emphasized."

"A number of candidates for the institute had not completed high school. Arrangements were made for them to catch up through study at the local high school. A 65-year-old millhand, for example, is working on his sheepskin."

"Recognition of the student-employee achievement will be an important part of the program. As each course is completed, the student will receive a certificate. A special diploma will be awarded after a set of four courses is completed. The Institute and its members will also get ample recognition in the plant newspaper."

48 Employee-Instructors

"The 48 instructors are all Granite City Steel employees, salaried and hourly. Each man has been accredited by the Granite City Steel company as a 45-hour teacher training course."

"The selection of in-house teachers was deliberate. For one thing, these people represent a ready source of technical knowledge. But the Granite City Steel management also felt that the students would establish better rapport with teachers whom they knew and respected."

"Organization of the Steel Institute was handled by M. A. Wittevrone, administrative assistant for vocational, industrial and technical training for the Granite City school system. He worked closely with a company committee made up of management and union representatives. Classes are held at the high school."

"Cost for this year's program is about \$40,000, including materials and equipment, teacher training, salaries, facilities and administrative expenses. Granite City Steel is paying half; the remainder comes from the federal Government under the National Defense Training Act and from the company."

"The company has ever done for the security of its employees." "Lloyd McBride, subdistrict director, USW, adds, "From the United Steelworkers point of view, this is vitally needed. I think it will be absolutely essential to overcome some of the problems that are going to face us in the transition to the future."

"From the union's point of view, it is absolutely essential that our members be given an opportunity to acquire themselves with these new problems and fit into and contribute to the scheme of things that will be facing us very shortly."

"Behind It All The Way" "Charles Hamilton, business agent for Local 50 of the Chemical Workers of America, which represents most of the blast furnace employees, says, "I've always been an advocate of on-the-job training and on-the-job education. I believe the Institute all the members will get ample recognition in the plant newspaper."

"Granite City Steel executives are fully aware that the success of the program won't be apparent overnight. "However," stresses J. R. Hundley, vice-president of the industrial relations, "we feel that our company's ability to compete in the final analysis, be directly related to the quality of the training program."

County Zoning Board Sets Hearings March 4th

The Madison county zoning board of appeals during a meeting March 4 at the courthouse at 9 a.m. will conduct on-site hearings for six appeals including two in the Granite City school system. A petition by Thomas Alexander requests a special use permit to keep a home of Lot 10 Long Lake annex, near the Long Lake, Cheateau township; and a petition by Charles W. Dinnitt requests a variation in lot size in the division of a tract of land along Joyce street in Cedar View subdivision.

GC Preparing For Early Adoption Of New Budget

Budget preparations and approval of a \$17,407 bill and a payroll of \$32,747 for the first Monday night by Granite City council members.

Paul Rutledge, chairman of the Finance committee, in presenting the items, urged council chairman and department heads to prepare tentative budgets for the 1964-65 fiscal year to begin May 1. The city normally waits until July to adopt its new budget right on the deadline, but Rutledge requested compliance with the ordinance which calls for earlier preparation.

Mayor Davis said the earlier deadline is a goal each year, but so far the city has been unable to meet it.

Largest items on the bill list were the \$12,291 payment to United Disposal Corp. for contract hauling of garbage and trash during February and \$2979 paid to David J. Johnson, engineer, for preparation of the city's 1964 motor fuel tax program for articles of streets.

Maintenance, fuel and repairs to city equipment totaled \$614 for the one-week period, and the city also paid \$50 to Lybarger Material Co. for rental of a tract at Niedringhaus avenue and Adams street to store street department materials.

The city paid \$41 to the Treasurer of the United States for its share of labor and rental expenses at the city pumping station at the Granite City Army Depot.

Allotments on the bill list included \$60 for city building inspector Earl Bloomquist, \$160 for police patrolman Frank Harris to attend the National Mid-Winter pistol matches at Tampa, Fla., and \$30 monthly aldermanic expense allowances to J. D. Bergfield, Clyde Boyd, William Delfino, Casmer Skubish, Samuel Whitmer, Walter Nunn, Gene Basarich and \$17 paid to G. H. Sternberg.

NEW MODEL of electronic larynx developed by Bell Telephone Laboratories.

Artificial Larynx Is Available Here

A new model of the electronic larynx for people whose natural voices have been destroyed by disease or accident is now available here, according to Paul Stout, local Southwest Bell Telephone Co. manager.

The larynx was developed by Bell Telephone Laboratories and is sold at no profit. Since it was introduced in 1950, more than 3000 vocally-handicapped persons have purchased the device as a substitute for their lost voices.

"The improved model has a smaller head (one inch in diameter) than its predecessor. The new head is usable by persons who because of neck shape have a scar which could not use the earlier model."

The head fits more snugly against the throat, allowing sound waves to pass more readily up the throat cavity to be formed into words by lip and tongue movement.

As with previous models, the new head is designed for women, low-pitched for men. Both have a finger control to allow the user to vary voice pitch.

Namiok township. A special use permit for a duplex on each lot also is sought.

New Computer Keeping Tab Of State Drivers

A new Univac III computer has taken over the task of storing all detailed data on Illinois' five million licensed drivers and making it readily available for a variety of uses.

The new unit replaces three computers formerly required to perform the same tasks, cost \$5000 a month less to operate, does the job faster and requires only about half the amount of floor space.

The office of Secretary of State Charles F. Carpenter said the new systems would enable faster processing of data to enable the state to take accelerated action against dangerous drivers.

Crane Snaps Wire, Power Off Half-Hour

Electrical power was off for about 500 customers of Illinois Power Co. for 31 minutes Monday evening when an industrial plant crane snapped a power line at 7:03 p.m.

Darkened was the area south of 19th street from Deane avenue west and a portion of West Granite. The line was broken when it was struck by the boom on a crane at American Steel Foundries.

There were no injuries. The power failure darkened a portion of the downtown business district as well as homes and businesses. The burned out line was repaired in 31 minutes.

Son Born To Former Granite Citizens

Mr. and Mrs. Glen Cookrum of Collinsville, formerly of Granite City, are announcing the birth of their first child, a son, Tuesday at Christian Welfare Hospital, East St. Louis. The baby weighed 6 1/2 pounds and has been named Rocky Ray.

Mrs. Cookrum will be remembered as Rita Kessler, a daughter of Mr. and Mrs. William Kessler, former Granite Cityans now residing in Collinsville. The paternal grandparents are Mr. and Mrs. Raymond Cookrum, Rural Route One, Granite City.

Revival Services At Gospel Chapel

Revival services will be held at the Gospel Chapel, General Baptist Church, 512 State street, Madison, beginning Sunday.

Rev. Sam Skiff and Rev. Paul Puckett, evangelists, will be in charge and there will be special music nightly.

Rev. George W. Land is the pastor and Bill Henry is the assistant.

Office Window Broken

A vandal using a pellet gun or rock shattered part of a 100x104-inch window pane in the front of the Nickel Plate Credit Union building at Third street and Madison avenue, Madison police were informed Monday.

The window was cracked and is to be replaced at an estimated cost of \$350.
